Donovan and Three sisters Island books you have to buy this one. It has all of fantasy from vampire to time travel the old battle of good against evil, princess and shape shifter, vampire slayer "who does not want to be compared with Buffy"! and of course the expected romance. But best of all are the funny dialogs and how she manages to put so much old stories (some might come close to "stealing ideas") into something new and funny. Better then any movie at a rainy afternoon!4 von 4 Kunden fanden die folgende Rezension hilfreich. GenialVon Lynn CredibleIch habe mir ein paar Mal berlegt, ob ich dieses Buch wirklich kaufen soll. Ich mag gerne Romantik, grosse Gefhle und viel Humor. Mit Dmonen und Blutvergiessen habe ich nicht viel am Hut. Da ich aber schon sehr viele Bcher von Nora Roberts gelesen habe und ein grosser Fan geworden bin, kaufte ich auch dieses. Und ich habe es nicht bereut!Was mich am meisten begeistert, ist die Art und Weise, wie N. Roberts die Figuren zeichnet. Sie sind alle einmalig, unverwechselbar in ihrem Charakter und Auftreten. Man bekommt das Gefhl, sie wirklich kennen zu lernen. Das geht soweit, dass man regelrecht spren kann wie sich eine Figur in einer Situation fhlt, noch bevor sie ein Wort dazu geussert oder sonst eine Reaktion gezeigt hat. Genial!Der Humor und die grossen Gefhle fehlen zum Glck auch in diesem Buch nicht.0 von 0 Kunden fanden die folgende Rezension hilfreich. Gegenwart trifft auf VergangenheitVon Steffi M.Der erste Teil der "Circle-Serie" bringt die Protagonisten zusammen, die im Laufe der nchsten Bnde das Bse bekmpfen. Nicht die Neuerfindung des Rads, aber von der Autorin wie immer uerst spannend zusammengefhr. Magie und Vampire sorgen fr Spannung, das erste Liebespaar findet sich, und es sind bereits gegend Glckshormone unterwegs, um Lust auf den nchsten Band der Serie zu machen. Ich werde dranbleiben, denn jetzt muss ich wissen, wie die Amateur-Krieger die Welt retten werden (dass ihnen das gelingt, daran besteht wohl kein Zweifel). Aber lesenswert!

Kurzbeschreibung#1 New York Times bestselling author Nora Roberts' Circle Trilogy begins with an epic tale that breaks down the boundaries between reality and the otherworldly, while forging together the passions of the men and women caught in a battle for the fate of humanityIn the last days of high summer, with lightning striking blue in a black sky, the sorcerer stood on a high cliff overlooking the raging seaBelting out his grief into the storm, Hoyt Mac Cionaoith rails against the evil that has torn his twin brother from their familys embrace. Her name is Lilith. Existing for over a thousand years, she has lured countless men to an immortal doom with her soul-stealing kiss. But now, this woman known as vampire will stop at nothing until she rules this worldand those beyond itHoyt is no match for the dark siren. But his powers come from the goddess Morrigan, and it is through her that he will get his chance at vengeance. At Morrigans charge, he must gather five others to form a ring of power strong enough to overcome Lilith. A circle of six: himself, the witch, the warrior, the scholar, the one of many forms, and the one hes lost. And it is in this circle, hundreds of years in the future, where Hoyt will learn how strong his spiritand his hearthave becomeDont miss the other books in the Circle TrilogyDance of the GodsValley of SilenceFrom the Trade Paperback edition.From Publishers WeeklyThis first installment in Roberts's paranormal Circle Trilogy (which continues with Dance of the Gods and Valley of Silence) starts off like a storybook, with an old Irishman gearing up to weave a fantastical tale of vampires, witches, sorcerers, shape-shifters and time travel. Hill lends the Irishman a gruff, lilting tone befitting his role, but as the story adopts a life of its ownwith more characters joining the mix and the dialogue taking on a snappier edgehis narration falls short. For the handsome and commanding sorcerer Hoyt Mac Cionaoith, who's charged with gathering a band of six to battle a power-hungry vampiress, Hill employs a deep, growly voice that evokes images of ogres rather than sexy men. In stark contrast, his female characterizations are muted and ultra-feminine, which suits the soft-spoken scholar who eventually joins Hoyt's troupe but not Hoyt's no-nonsense counterpart, the beautiful witch Glenna. Although these flawsand an occasional slowness in pacewon't stop listeners mid-track, they sap a touch of magic from what is otherwise an enchanting tale.From BooklistAnother enticing paranormal trilogy from the ever-versatile, prolific, and much-loved queen of romance. Irish sorcerer Hoyt Mac Cionaoith tried but failed to destroy Demon Queen Lilith after she ruthlessly turned his twin brother, Cian, into a vampire. Lilith gradually recovered and immediately set about amassing an army of vampires with the intention of destroying all humans so that she could rule the world. The goddess Morrigan chooses Hoyt and five others to stop Lilith, sending Hoyt 1,000 years into the future. In twenty-first-century New York, he starts to build his team, enlisting Glenna Ward; his brother, Cian; and Cian's employee, King. Traveling back to Ireland, the three pick up new recruits Moira and her cousin Larkin, both of whom have traveled through space and time from the Kingdom of Geall. Demon-hunter Blair Murphy is the last to sign on to the circle of six. Now a sorcerer, a witch, a warrior, a scholar, a shape-shifter, and a lost soul must find some way of working together as a team if they are to have any hope of stopping darkness from overcoming all that is good and light in the world. Best-seller Roberts' Celtic-flavored Circle trilogy features superbly crafted characters, three passionate romances, and a bewitching blend of magic and myth.
