Von Anna Lee Huber : Mortal Arts (A Lady Darby Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mortal Arts (A Lady Darby Mystery):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Besser als der VorgngerVon Fuchs Joanzumindest waren die historischen Ungenauigkeiten hier nicht so aufflig (auch wenn Warmwasserleitungen im Bad im Schottland von 1830 doch etwas frh erscheinen...), zumindest hat die Heldin hier

nicht ständig irgendwelche idiotischen Gedankengänge ausgestossen. Immer noch sehr hart am Bodiceripper, aber doch sehr lesbar und spannend geschrieben, auch wenn die Auflösung bald klar war. Werde Teil 3 sicher lesen.

Kurzbeschreibung From the national bestselling author of *The Anatomist's Wife* comes the second historical mystery featuring enigmatic sleuth Lady Kiera Darby. Scotland, 1830. Lady Kiera Darby is no stranger to intrigue; in fact, it seems to follow wherever she goes. After her foray into murder investigation, Kiera must journey to Edinburgh with her family so that her pregnant sister can be close to proper medical care. But the city is full of many things Kiera isn't quite ready to face: the society ladies keen on judging her, her fellow investigator and romantic entanglement Sebastian Gage, and ultimately, another deadly mystery. Kiera's old friend Michael Dalmay is about to be married, but the arrival of his older brother and Kiera's childhood art tutor William, has thrown everything into chaos. For ten years Will has been missing, committed to an insane asylum by his own father. Kiera is sympathetic to her mentor's plight, especially when rumors swirl about a local girl gone missing. Now Kiera must once again employ her knowledge of the macabre and join forces with Gage in order to prove the innocence of a beloved family friend and save the marriage of another. From the Trade Paperback edition.

Pressestimmen Praise for the *Lady Darby Mysteries* [A] history mystery in fine Victorian style! Anna Lee Huber's spirited debut mixes classic country house mystery with a liberal dash of historical romance. *New York Times* bestselling author Julia Spencer-Fleming Riveting Huber deftly weaves together an original premise, an enigmatic heroine, and a compelling Highland setting. *New York Times* bestselling author Deanna Raybourn [A] fascinating heroine A thoroughly enjoyable read! National bestselling author Victoria Thompson [A] clever heroine with a shocking past and a talent for detection. National bestselling author Carol K. Carr Reads like a cross between a gothic novel and a mystery with a decidedly unusual heroine. Kirkus s Huber deftly evokes both [Sebastian and Kiera's] attraction and the period's flavor. *Publishers Weekly* [Huber] designs her heroine as a woman who straddles the line between eighteenth-century behavior and twenty-first-century independence. *New York Journal of Books* [A] must read One of those rare books that will both shock and please. *Fresh Fiction* Fascinates with its compelling heroine who forges her own way in a society that frowns upon female independence. RT Book s One of the best historical mysteries that I have read this year. *Cozy Mystery Book s*
