**Von Ian Rankin : Mortal Causes (Inspector Rebus)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mortal Causes (Inspector Rebus):

KundenrezensionenHilfreichste Kundenrezensionen11 von 11 Kunden fanden die folgende Rezension hilfreich. Rankin's best John Rebus mystery to date!Von Ein KundeI only discovered Ian Rankin's John Rebus mysteries quite recently and have read through all those available in a relatively short time. Rebus is a memorable character and Rankin's portrait of Edinburgh and the police department in his procedurals rings as very convincing and true-to-life.In

\_Mortal Causes\_, the most recent of the Rebus titles to see paperback, Rankin's hero must investigate a particularly gruesome murder which begins to look like it might be the work of a terrorist cell from Northern Ireland. Rebus had spent time there earlier in his career, before joining the police. His expertise comes to prove valuable in this case, on in which not everything is as it appears. Set during Edinburgh's annual summer Festival, readers are treated to an exciting, realistic mystery which takes place in the side streets and housing estates that tourists don't normally see. Inspector John Rebus continues to develop into one of the more multi-faceted and interesting characters in contemporary mystery fiction and Ian Rankin's ability to grab the reader by the throat shows no signs of letting up. All in all, this is the best of the Rebus series, with a new book, \_Let it Bleed\_ currently out in hardcover, and another, \_Black and Blue\_, waiting in the wings. Receives my highest recommendation

Von Annette Grnbauer Flott zu lesen aber kratzt an der Oberfläche und ist doch sehr konstruiert. Was würde die Story nur ohne Wegbeschreibungen und Songkritiken machen?

Von Roland War ein Geschenk, deshalb kann ich den Inhalt nicht beurteilen, aber die Beschenkte Person hat sich gefreut. Daher Daumen hoch.

**Kurzbeschreibung** The sixth Inspector Rebus novel - 'an outstanding creation' SUNDAY TELEGRAPH It is August in Edinburgh and the Festival is in full swing... A brutally tortured body is discovered in one of the city's ancient subterranean streets and marks on the corpse cause Rebus to suspect the involvement of sectarian activists. The prospect of a terrorist atrocity in a city heaving with tourists is almost unthinkable. When the victim turns out to be the son of a notorious gangster, Rebus realises he is sitting atop a volcano of mayhem - and it's just about to erupt. **Pressestimmen** "John Rebus, an outstanding creation... very ambitious and very confident with acute observation of the not-so-bonny side of Scotland." Mike Ripley, Sunday Telegraph
