Strandlektre Von Alice Ahlborn Witzige Dialoge, aberwitzige Personen-Konstellationen, ich habe beim Lesen laut gelacht. Das Buch ist die perfekte Strandlektre! Lynn Michaels ist eine gute Beobachterin des Menschlich allzu Menschlichen.

Kurzbeschreibung She planned everything for the wedding except the falling in love part. . . . In a family of jet-setters and lovable eccentrics, Cydney Parrish is the stable, sensible one, always with her feet firmly planted on the ground. Maybe that's why she ended up raising her sister's daughter Bebe. Now Bebe is all grown up and about to marry the nephew of the handsome and reclusive author Angus Munroe. Between planning the wedding, dealing with her high maintenance kin, and facing a future with only a cat for company, Cydney has her hands full. But she isn't too busy to notice that aside from being pushy and generally infuriating, Gus Munroe may just be the man of her dreams. Angus Munroe is not about to let his only nephew throw his future away on some ditzy debutante. He flies into town determined to speak now and never hold his peace but ends up instead with a broken nose, a slight limp, and his mountainside home invaded by the bride-to-be's family. He's pretty certain it is all the wedding planners' fault. Aunts aren't supposed to be sexy, but someone obviously forgot to tell the irresistible Cydney Parrish. . . . From the Paperback edition. From Booklist Cydney Parrish has lived in the shadows of her famous family--celebrated novelist father Fletcher, etiquette columnist mother Georgette, and Pulitzer Prize-winning sister Gwen--which has left her feeling like a cross between the ugly duckling and Cinderella. For more than a decade she's been caring for Gwen's daughter, Bebe, because her sister was too busy. Now 19, Bebe has announced her engagement to Aldo, nephew of the eccentrically reclusive author Angus Munroe. Cydney is stunned with the news, but Angus, who fears losing the last of his family, is downright nasty and tries every trick in the book to stall the wedding. Cydney and Angus passionately disagree and quickly become infatuated with each other. When the entire Parrish family arrives for the wedding, Cydney stops feeling sorry for herself long enough to stand up to them and admit her feelings for Angus. Tempers soar, fists fly, and the wedding is imperiled. Despite Cydney's vexing self-pity, the remaining characters bring humor and charm to Michaels' engaging romance. What he finds, however, in addition to a beautiful bride-to-be who puts him in the hospital with a broken nose, is her elfin, intelligent Aunt Cydney, a woman who is not about to let anyone interfere with her niece's happiness. A smart, dependable heroine amid a family of bright eccentrics, a ruggedly gorgeous hero determined to guard his nephew's interests, and an abundance of intriguing, quirky characters will keep readers entertained. Michaels (Nightwing) is the best-selling writer of a number of humorous romances and lives in Independence, MO. Copyright 2002 Reed Business Information, Inc.
