Von Jude Deveraux : Mountain Laurel (The Montgomery/Taggart Family) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Laurel (The Montgomery/Taggart Family):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good, but not good enough...the heroine just wasn't there!Von Ein KundeMountain Laurel was a pretty good book...but I just didn't thought it was complete enough because the heroine, Maddie, just wasn't the heroine that should have been

there. In my opinion, I think Jude made Maddie way too concieted, selfish, and and way too vain. First of all, Maddie keeps on saying that her voice is the best in the world, and in my opinion, that's way too vain! I couldn't stand it! And she's selfish because all she cared about was herself and not anything about 'Ring. She just wanted him to follow her around the world to listen to her sing, and she didn't care a cinch about 'Ring's Warbrooke Shipping Co. All she cared about was her own life, and how she has to sing...blah blah blah! But I'll give Jude some credit on 'Ring, the hero. He was nice, kind, and sweet. All he did was think of the best, but no...Maddie didn't care. All she thought about was herself. In my opinion, this book does not even deserve a star.0 von 0 Kunden fanden die folgende Rezension hilfreich. My favorite Deveraux heroVon Ein KundeThe hero in this book is my favorite in all the Deveraux books I've read. He is absolutely a dream. And the heroine is gutsy, loving and brave. I almost never read a book more than once, but this is one that I would consider reading again, because I enjoyed it so much! And it has some great humor in it as well!0 von 0 Kunden fanden die folgende Rezension hilfreich. Couldn't even finish itVon Ein KundeI love Jude Deveraux's other books, but this one was so hard to relate to, I couldn't even finish it. Pompous opera singers are just not people I run across or care about. Sorry. Give us more like "Wishes" or "Knight in Shining Armor".

KurzbeschreibungCaptain Ring Montgomery was handsome, a skilled rider, a crack shot, popular with the men and their ladies. That was reason enough for a jealous, surly colonel to saddle Montgomery with a most peculiar assignment: to escort an opera singer into the Colorado gold fields. Ring's plan was to scare the little lady enough so that she'd hightail it for home. After all, a Civil War was brewing! But LaReina, The Singing Duchess -- as Maddie Worth called herself on stage -- didn't scare easy. And she didn't intend to explain her reasons for coming West to any high and mighty soldier. Captain Montgomery might be smart enough to figure out that she was no European duchess, and gentleman enough not to take advantage of her when he'd had the chance, but he'd have to go on thinking she had some insane desire to sing opera to a bunch of ragtag miners. She didn't dare trust him with the truth....From Publishers WeeklyMaddie Worth, blackmailed into carrying letters between abolitionist spies who hold her sister captive, resents the authoritarian presence of Captain Ring Montgomery, who helps her navigate the gold fields of Colorado. "Deveraux fans may find the plot a little thin, but will welcome yet another pair of feisty, independent souls whose conversation crackles with electricity," said PW.
