Von Christina Dodd : Move Heaven and Earth (Harper Monogram) before purchasing it in order to gage whether or not it would be worth my time, and all praised Move Heaven and Earth (Harper Monogram):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.
Complex Regency RomanceVon natouleThe mature heroine escapes her father's cold home and her scandalous past by

accepting a position as nurse to a Waterloo hero stuck to a wheelchair. The brother of the hero, a duke, is starting his own industrial revolution to better the way of life of his people - and earns the wrath of a ghost for daring to change the old ways. Interesting story with depth of characters in a solid historical context combined with a bitter-sweet romance and mystery.0 von 0 Kunden fanden die folgende Rezension hilfreich. tear jerkerVon Kathleen M. McelroyI love when a story can make you laugh,cry, keep you in suspense... and you just don't want to put it down. I enjoy Christina Dodd's books because all of her charaters are different. Its not just the same people in a different setting or a different year.0 von 0 Kunden fanden die folgende Rezension hilfreich. HEART FELTVon CINDYThe story of Sylvan and Rand was everything a love story should be, you have secret past, mystery,ghost,and a lesson in trust. I thought that the setting of the story was great and the story was just as beautiful. A must read.

KurzbeschreibungMiss Sylvan Miles dreaded the moment she'd see Lord Rand Malkin again. Once a dashing rogue, he's returned from battle a changed man. Sylvan, too, has suffered. Sharpened by scandal and tragedy, she vows to heal Rand's body and spirit.But when Sylvan arrives at Clairmont Court, the man she encounters is far from the great pleasure in taunting her with stolen kisses and the legend of his ancestor's ghost. But Sylvan isn't fooled by his bravado and sets out to break down his defenses...while she fortifies her own against temptation.From Publishers WeeklyLord Rand Malkin has a problem: traumatized by the horrors he witnessed in the Napoleonic Wars, he is unable to walk. Despising himself as a useless cripple, he is determined to end his life?but he can't bring himself to commit suicide until he succeeds in bedding beautiful Sylvan Miles, the spirited nurse hired to care for him by his brother the duke. Sylvan, though, is plagued by scandal: Eager to escape her social-climbing nouveau-riche father, she, too, had joined the war effort to nurse wounded soldiers?only to be branded a whore by society for her efforts. Shunned and reviled, she sees the Duke of Clairmont's job as her salvation. But Clairmont Court, she soon discovers, is no safe haven. Her new home is stalked by both a troubled ghost and a mysterious prowler who brutally assaults the local women. And Rand himself, cantankerous and rude, is no prize?even if he is devilishly attractive. Dodd's (The Greatest Lover in All England) breathless narrative style only adds to the confusion generated by this setup, and readers may at times feel lost and bewildered, but Sylvan is a charming and admirable heroine, and her relationship with Rand is charged with well-wrought and electric eroticism. Copyright 1995 Reed Business Information, Inc.From Library JournalHaunted by dreams of the soldiers she couldn't save, Sylvan Miles accepts the challenge to nurse a paralyzed, war-damaged nobleman and ends up finding love and healing herself. The setting is pure early Victoria Holt; the heroine is unconventional and uncompromising; and the hero is angry, tormented, and occasionally charming in this gothically inclined historical, rife with family ghosts and unexpected passion. Readers might also enjoy Mary Jo Putney's historicals. Dodd (The Greatest Lover in All England, HarperMonogram: HarperPaperbacks, 1994) is a former Romance Writers of America Golden Heart winner.Copyright 1995 Reed Business Information, Inc.
