Von Chris Cox : Moving On (Bayou Boys Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moving On (Bayou Boys Book 2) (English Edition):

Wow - well done short storyVon SunneThis is the sequel to the shortstory "Meant To Be".I'm a picky reader and when I started reading this sequel I had this uneasy feeling in my stomach. Stories where the involved guys do not talk with each other, assume and imply the wrong things....are not my cup of tea...usually. Most or the time they are too much

with too huge effects and mostly just stupid behaviour. And at this point I have to say it: Wow, Chris Cox, you wrote real life here. Perfect. Stunning. I suffered, I felt every moment of insecurity, it was really, really well done. There wasn't even one second I wanted to slap them (that is what usually happens stories with this "assuming"-stuff). I understood each of them in every thought they had, in every insecurity. *sigh* Can't wait for the next part.
