Fall in love with Mr DarcyVon Janine ZBefore I start with my review I just wanted to thank the author for creating such a lovely book."You have bewitched me body and soul" is one of the sentence you'll never forget from Pride and Prejudice. And Jane Austen just bewitched me. It's that's easy. The first time I read PP it was like a sweet fairytale in England. The story is well known: Elizabeth Bennet met Mr Darcy at a ball and both didn't like each other at the beginning."First impressions" were made specially because of what Wickham told Lizzy about Fitzwilliam Darcy.But at Rosings Darcy finally made a proposal to Lizzy but she dumped him and told everything she hated about him ...Anyway. Let me come back to "Mr Darcy falls in love."Have you ever wonder how Charles Bingley and Mr Darcy

became friends? Have you ever wonder what happened after the ball at first? You will get all the answers and much more. Darcys part of the story. I really got in love with Darcy, again. In some other books Fitzwilliam never became the chance. You get the imagine that he was just stubborn and mean. But not in this one. Darcys character was so lovely described that you just can fall in love with him. It was a wonderful read. Jane Austen would love it herself! I love the friendship between Bingley and Darcy. Charles was so cute even he had a broken heart. I could write much more about it but you should make your own opinion of it. So, thank you Noe and Cindy for writing such a wonderful book. I know it's lots of work in it and I know that it wasn't easy to write a book like this. To take one of the sweetest lovestories ever and make it new must be difficult. But at the end you can feel the love for Jane Austen in it. I really enjoyed it. Normally I'm skeptical about books like this. But after reading "Mr Darcy and the Time Space Continuum" it was time to read this.

Kurzbeschreibung Who is Fitzwilliam Darcy? Doesnt everyone know? He is the man Elizabeth Bennet falls in love with in the famous book Pride and Prejudice, written 200 years ago by Jane Austen and still read and cherished by many people around the world. The man weve seen in movies and always wished we could meet, or know more about.... Fitzwilliam Darcy. Do we really want to know more about this wealthy, proud, disagreeable man? What if we could learn some things about him that Pride and Prejudice didnt reveal to us? Things like: how did Darcy feel after convincing Bingley that Jane Bennet didnt care for him? how did he find and then make George Wickham marry Lydia Bennet? but most of all, how did Darcy become the man Lizzy Bennet would be proud to call her husband? How did Mr Darcy fall in love? Mr Darcy falls in love is the mirror image of Pride and Prejudice, the very same love story of Elizabeth Bennet and Fitzwilliam Darcy, this time told from HIS point of view. After reading this story, you will definitely know more about this man who is transformed by the power of love. Kurzbeschreibung Who is Fitzwilliam Darcy? Doesnt everyone know?
