Von P.S. Power : Mr. Hartley (Alternate Places Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mr. Hartley (Alternate Places Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Neu erzählt - alter StoffVon VideyeIm Grunde ist die Alternate Places Serie nur eine neu aufgesetzte und inhaltlich nur abgewandelte Variante von Other Places des gleichen Autors. Trotzdem fand ich es durchaus lesenswert.P.S. Power ist auch hier wieder leicht am Stil zu erkennen, auch wenn die blichen Schreibmacken in dieser Serie nicht ganz so stark auffallen oder eben auch nerven. Gut so.Die Anzahl der Wiederholungen und das stndige Wiederverwerten der gleichen Satzkombinationen und Inhalte ist in dieser Serie noch gut aushaltbar. Also nicht zum hundertsten Mal der Hinweis, dass ein Dmon doch fr seine Mahlzeit zahlt usw., wie in Other Places.Dieser erste Band hlt sich inhaltlich noch recht stark an das erste Buch von Other Places, auch wenn einige Charaktere andere Namen und/oder Funktionen

haben. Zack, als menschlicher Teleporter frs Grobe, ist auch hier wieder sympathisch, auch wenn man merkt, dass Sex eine (noch) zentralere Rolle spielt. Dies nimmt in Band zwei und drei dann richtig Fahrt auf...Fr Freunde des Autors und Other Places kann ich es empfehlen. Ansonsten ist gerade aufgrund des aus meiner Sicht sehr schwachen letzten, dritten Bands die Serie als solche nicht ohne Vorbehalte zu empfehlen. Darin, dem letzten Buch, geht es fast nur noch um sekundre Charaktere, viel Sex und dem Autor geht, wie so gut wie immer auf "den letzten Metern", die Puste aus.

KurzbeschreibungMr. Hartley:Zack needs to find work, fast. That's not a new thing, since jobs are hard to come by in these tough economic times. So, deciding to try something new, he takes a shortcut through a tree, to an interspatial nexus across town. It isn't the sort of thing that most people do, but this time it works out pretty well, and he finds employment. At a secret embassy, masquerading as a rather humble candle shop.Mr. Hartley isn't just an ordinary store clerk, however, and very soon strange things become apparent to him that few would notice. Like the vampires running the place across the way, or the attractive giantess that keeps watching him more than a little bit too closely.As things become more clear secrets are uncovered, and Zack's old, fairly safe, life goes away without warning.Now, thrown into the thick of a world that he'd always been told didn't exist, he must survive and face the worst thing imaginable. His own memories.The first three books of the series are being released on September 17th, 2014. * They contain sex, violence and adult themes. Not recommended for children under 14 years old, or people with delicate sensibilities.Book One: Mr. HartleyBook Two: BetweenBook Three: On the LineKurzbeschreibungMr. Hartley:Zack needs to find work, fast.
