Not bad but not the real dealVon starbooksIHMyself, I rather like Natalie's comments to Monk's antics and life in general and Lee Goldberg does that so very well and has entertained us for many books. So, even if I like Monk getting more independent and the crime story part was entertaining, I miss Lee's unique humour.Furthermore, with pricing going up that steeply for the new books, I see a dead end coming for Hy Conrad.

KurzbeschreibungWelcome to the series of original mysteries starring Adrian Monk, the brilliant investigator who always knows when somethings out of place.... Natalie is taking a break from studying for her PI licensethe last step to becoming Monks full partner. She sneaks off to Half Moon Bay for a retreat run by Miranda Bigley, leader of the Best Possible Me self-help program, but her plans for a relaxing weekend are disrupted when Monk tracks her down to rescue her from the cult. Their argument is cut short when Miranda, in full view of everyone, calmly walks to the edge of a cliff and jumps.Even though Mirandas death looks like suicide, Natalie is sure it's murder. But Monk brushes her off to help the SFPD solve the murder of a clown, despite his coulrophobia, aka fear of clowns. As Monk and Natalie begin their independent investigations, they quickly learn that if they want to figure out whodunit, they will have to find a way to become true partners....An all-new story starring Adrian Monk by Edgar Awardnominated Monk screenwriter and coexecutive producer Hy Conrad. Its compulsive, page-turning fun.PressestimmenPraise for the Monk Mysteries:"An entertaining and ruefully funny diversion that stars one of television's best-loved characters."-- Honolulu Star Bulletin"[A] lighthearted, enjoyable whodunit."--San Francisco Book "Hilariously funny and devilishly clever...an impossible-crime lover's delight."--Ellery Queen Mystery MagazineKurzbeschreibungWelcome to the series of original mysteries starring Adrian Monk, the brilliant investigator who always knows when somethings out of place....
