KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. great bookVon P. Piroskal love Lee Goldberg's books, this one is absolutely my favorite. We can follow Adrian Monk and

his assistant, Natalie Teeger to France where our well known detective's dream comes true and Natalie's plan about the relaxing trip is gone again very soon but she finds some time to remember her honeymoon with Mitch...It's a very well written book with a great storyline. If you like Monk, you have to read this one :)
