Von Clarissa Wild : Mr. X (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mr. X (English Edition):

Bitterbse Liebesstory Von Bcherliebe Zugegeben, ich habs nur gekauft, weil das e-book mit 0,69 so billig war. Es heit zwar, es handelt sich nicht um eine Liebesgeschichte, aber am Ende entpuppte es sich doch als solche. Die Hauptdarsteller

sind - mnnlich wie weiblich - zwei ganz kaputte Seelen. Es geht bitterbse, gewaltttig, gemein und roh zu. Zustzlich gibt es noch jede Menge Bettszenen. Wie in jedem Actionfim wird ein ganzer Haufen an Leuten blutig dahin gemeuchelt. Trotzdem war es bis zur letzten Seite spannend und ordentlich vertwistet. Ich verrate nur soviel: Wer solche Eltern hat, braucht keine Feinde mehr. 0 von 0 Kunden fanden die folgende Rezension hilfreich. There Be Monsters Here! Von Anna Salamatin First I'd like to say that I really liked the way this story is told from both P.O.V. This really helps especially when they both have a different memory, or lack of one from the past. Some times it's hard to know who the victim, victims or no victims at all are. I found myself questioning who the real monsters are here and wondering if anyone was going to make it through this journey into hell with their sanity intact, or what was left of it in the end of this story of truly dark and vicious cruelty, and I found myself shocked at times upon learning where it came from and wondering if there were going to be any survivors at all! Every time I thought I had a handle on what was going on and why, another twist and/or another piece of the puzzle presented itself until I found myself in a Love/Hate relationship with Mr. X, who in turn, was forced himself to re-evaluate the raw rage, anger, pain and white hot hate that drove him through the years to now exact his revenge. Just how much torture, humiliation, and repeated assault on body and mind can a person stand? Jay is about to find out as she is now his prisoner complete with shackles and chains. He wants her to suffer and die and she has no earthly idea why. Just one thing niggles at the back of her mind....." why is he so familiar?" Will he really kill his little bird?

Clarissa took us all on a dark ride filled with lust, hatred, revenge and twisted love. I have to say I was very pleased with how it all ended. It is definitely a ride I would take again and again. Mr. X is one character I will surely never forget." - Victoria Ashley, author of SLADE "X's story is gritty and raw and rough. The power dynamic between X and Jay really fueled the story, keeping emotions high and the fire between them scorching. I enjoyed every broken, blood-stained moment of this book. I loved watching X and Jay's story unfold and was dying to piece together their pasts. If you like a journey with some darkness, damaged characters, and thrilling stories packed with mystery and suspense then Mr. X is worth the one-click. Mr. X will leave your mind haunted by this fabulous story." - Prisoner's of Print Book Blog "Wow. This story had it all. Lust, anger, rage, revenge, hatred. Did I mention most of the seven deadly sins???" - Mommy's a Book Whore Book Blog "This is a true work of art in the form of novel." - Goodreads "If you like dark romance then this book is for you.
