KurzbeschreibungMrs Harris is a salt-of-the-earth London charlady who cheerfully cleans the houses of the rich. One day, when tidying Lady Dant's wardrobe, she comes across the most beautiful thing she has ever seen in her life - a Dior dress. In all the years of her drab and humble existence, she's never seen anything as magical as the dress before her and she's never wanted anything as much before. Determined to make her dream come true, Mrs Harris scrimps, saves and slaves away until one day, after three long, uncomplaining years, she finally has enough money to go to Paris.
