Great readVon LoveToReadDianne Harman is one of my favorite authors, so when I spotted this next Cozy Mystery with its enticing cover, I snapped it up. As usual, Liz Lucas did not disappoint! Always well written with great characters, this storyline had me turning the pages to get to the end of this suspenseful mystery. Suicide or murder? Who is Brandy

Boy? You'll have to find out! I'm not one to give out mystery spoilers, but will say this is a must read. And of course the delicious recipes are included. Five stars all the way! 0 von 0 Kunden fanden die folgende Rezension hilfreich. good read Von Al-Khemet Book Club Liz Lucas is one hell of an investigator, I can say that much. Her school intern dies mysteriously and leaving much work behind, and from the suspicious circumstances surrounding his death Liz is driven to solve this mystery, taking the readers on a breathtaking, suspenseful, emotional rollercoaster ride. Dianne Harman has once again won the hearts of readers with her talent, nicely done. Al-Khemet Book Club, JUN 2015 0 von 0 Kunden fanden die folgende Rezension hilfreich. Cozy or Cuddly? Von K. Edwin Fritz, author I'm not big on cozy mysteries, but upon advice of a friend to check this one out, I'm glad I did. Harmon certainly knows her stuff. There are a surprising number of suspects in this murder figuring out whodunnit was not easy. I also liked the addition of the real-life recipes at the end. :) And finally, having a dog play a significant role in any story is always going to pull at my heart strings.
