"The affair of the bloodstained egg cosy" which is much, much better! 1 von 3 Kunden fanden die folgende Rezension hilfreich. Tolles Buch, super geschrieben und sehr spannend. Von Thomas Reichenbach Ich habe das Buch gekauft weil ich den Titel toll fand. Dieses Buch ist grossartig. Es ist super geschrieben und sehr spannend. Es zieht sich überhaupt nicht wie andere Bücher, man fühlt als ob man sich mit in dem Haus befinden. Wirklich ein tolle Buch. Freue mich schon auf die anderen Bücher von der Autorin zu lesen .

**Kurzbeschreibung**The first book in the Rose Simpson mysteries. When Sir William and Lady Withers invite friends and family to a weekend house party at their country home, Ashgrove House, they are faced with the arrival of both invited and uninvited guests, the consequence of which is murder. Set in 1930, Murder at Ashgrove House is full of intrigue, clues and red herrings, with nearly everyone having a motive for wishing the victim dead. This is a classic country house murder mystery set during the golden age of crime and will appeal to fans of Agatha Christie and Downton Abbey. The second book in the Rose Simpson Mysteries series, "Murder at Dareswick Hall", is now available on Kindle and will shortly be available in paperback.

**ber den Autor und weitere Mitwirkende**I am a lifelong fan of Agatha Christie and was inspired to write my own murder mystery, "Murder at Ashgrove House", after directing Agatha Christie's "The Hollow" play for Exeter Theater Company in England. I have always loved murder mysteries set in country houses during the Golden Age of Crime era where the murders were not too graphic and the main aim was to try and work out the murderer by identifying a handful of carefully hidden clues and of course dodging the red herrings. Therefore my intention in the Rose Simpson Mysteries is to give sufficient clues whereby an eagle-eyed reader may be able to work out who the murderer is, but for it not to be too easy. I would also like my books to be an enjoyable read for those readers, like my husband, who just like reading murder mysteries. "Murder at Ashgrove House" is the first book in what I am intending to be a long series of Rose Simpson Mysteries spanning the 1930s and World War II. I am currently busy writing the second book in the series, "Murder at Dareswick Hall", which I hope to publish in May 2014.
