Yes, it's possible.Von Ein KundeHaving read other, educational works by John Warren, I was pleased to read this latest work. I found it fully enjoyable, with a good, solid plot - as well as some very erotic scenes.As both a mystery lover and someone living a BDSM lifestyle, this book peaked *both* interests, and I highly recommend it.0

Von Ein KundeI spotted the murderer even before the murder took place! but you will find this a charmingly written story in an unusual setting -- a private spa for BDSMers. A nice read for summer days or in front of the fireplace in the winter.
