Rutsch gelesen. Drei Sterne gibt es es, weil die Eltern von Sarah Brand komplett fehlen.----- Spoiler Alarm -----Im letzten Teil der Serie fand jetzt endlich die groe Verlobung statt und wir sollen glauben, dass die Eltern die in den letzten zwei Bnden eine so groe Rolle gespielt haben und inzwischen so ein gutes Verhltnis zu ihrer Tochter haben, daran kein Interesse haben? Besonders Sarahs Mutter ist in den letzten Bnden recht hufig vorbeigekommen, um mit Catherine zu spielen und in diesem Band - nada - nicht ein Auftritt. Noch dazu, wenn wir davon ausgehen knnen, dass die Eltern von der Verlobung wissen und Mrs. Decker Frank ja schon fast im letzten Band mit offenen Armen empfangen hat. Ich fand das leider sehr enttuschend, denn ich hatte mich schon sehr auf deren Reaktionen gefreut. Stattdessen wird eine Zukunft geplant in der Sarahs Eltern anscheinend nicht vorkommen. Wirklich sehr schade! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Disappointing. Von AlexnBerni It's as if the author has run out of steam. Lots of padding in the form of conversations that go round and round. A MUCH better and more thrilling book on the same topic is M.H. Clark's "Loves music, loves to dance". 0 von 2 Kunden fanden die folgende Rezension hilfreich. Hervorragende Lektre Von Ingrid Peter Bartsch Ganz im Stil von Victoria Thompson ist dieses Buch wieder groartig geschrieben. Es war ein wunderbares Leseerlebnis mit viel Spannung.

Kurzbeschreibung When facing injustice, the residents of nineteenth-century New York City's tenements turn to midwife Sarah Brandt and Detective Sergeant Frank Malloy to protect their rights. Now, as the Edgar and Agatha Award-nominated series continues, the two must track down a cruel criminal preying on the hopes and dreams of innocent women. A Gaslight Mystery Frank Malloy has never known any life other than that of a cop, but his newfound inheritance threatens his position within his department. While trying to keep both his relationship with Sarah and his fortune under wraps, he's assigned to a new case: finding a missing young woman for her worried father, Henry Livingston. It seems the girl had been responding to lonely hearts ads in the paper for months before she disappeared. Her father thinks that she's eloped with a deceptive stranger, but Malloy fears the worst, knowing that the grifters who place such ads often do much more than simply abscond with their victims. But as Sarah and Malloy delve deeper into a twisted plot targeting the city's single women, it's their partnership—both professional and private—that winds up in the greatest peril. **Pressestimmen** Praise for the Edgar and Agatha Award-nominated Gaslight Mysteries Tantalizing.
