Schwestern verreisen Von Ein Kunde und wie immer lässt sich eine Leiche nicht vermeiden. Ich mag die Schwestern sehr und lese die Bücher als Entspannung mit "eingebautem" English-training. Die Bücher sind amüsant, die Charaktere liebenswert und sie bringen mich immer wieder zum Kichern. Das Buch hat wohl auch nie den Anspruch gehabt eine literarische Meisterleistung zu sein - aber für einen lustigen Krimiabend ist es sehr gut geeignet! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another fine book from Anne George Von Ein Kunde I couldn't wait to get started on this, the latest paperback Southern Sisters mystery! And once again I couldn't put it down. I was reading, and giggling in the bathroom, the kitchen and on the bus to work! I love the sleuth sisters Patricia Anne and Mary Alice. Throw in the wonderful Fred and Woofy and you have another lighthearted getaway..this time to Destin Florida where our two heroes get involved in another murder mystery (or two). I can hardly wait until my order for the three Anne George books I haven't read comes in! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Murder Makes Waves Von Ursula Scheppe Lässig erzählter Krimi mit viel Südstaaten-Flair, sehr unterhaltsam; dabei besonders erfreulich das Geklapper zweier ungleicher Schwestern, die durch ihre Eigenheiten und ihren Humor das Lesen alle Kriminalfälle - in die sie immer aufgrund irgendeines dummen Zufalls hineingeraten - zu einem Lesevergnügen machen!

Kurzbeschreibung Those hilarious southern sisters, who prove that sibling rivalry never ends, are heading for a vacation at the beach. Mary Alice's flamboyant behavior aside, serious, sensible Patricia Anne looks forward to relaxing at her sister's beachfront condo in Destin, Florida, so she kisses her ever-loving spouse Fred good-bye, reminds him to water the plants and feed the dog, and the girls head south for some fun in the sun. Mary Alice loses no time in making the acquaintance of just about everyone in sight, so watching the sun go down on the beautiful shores of the Gulf of Mexico is a welcome respite as far as Patricia Anne is concerned. . .until a dead body washes up in the waves and the victim turns out to be one of Mary Alice's newfound friends. With no witnesses to the crime except a few great blue herons, the sisters have no choice but to bypass the clueless police and follow their own instinct to find the killer. Before long they're on a murky trail of dirty real-estate deals, giant turtle habitats, and a sea of evidence pointing to a mammoth motive for murderer.
