Von Annie Bellet : Murder of Crows (The Twenty-Sided Sorceress Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Murder of Crows (The Twenty-Sided Sorceress Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Jade's past catches up with her intense second book in the Urban Fantasy seriesVon MinaNote: the books of the Twenty-

sided sorceress series each contribute to an overall story arc and should best be read in the appropriate order. Review Another rather short book about Jade Crow, the sorceress who hid so many years from her nemesis who wants her power and her dead in the process. This time, Jade's less than perfect past is literally knocking on her door in the form of her father. Her crowshifter father, who had once driven her from the crow shifter native's tribe and it's a hard thing to read about what happened to her, when she was cast out at 14. Actually, this whole book is short, but very intense and emotionally taxing. Because although Jade would like nothing more than send her dear dad on his merry way, he pleads for her help, because people from the tribe are getting killed and none is able to do anything about it. It's just not Jade to turn her back on people in need, even when they did so to her. So she and Alek the Justice drive to the Crow People and start investigating and this is where Jade gathers more information about her and the tribe's head's past than she ever wanted and as she slowly unravels what is happening and who is behind it all, there are decisions for her to make that lead to outcomes that hit her and others hard and surely will have some impact later in the series, too. And as with all stories that are worth their while, things aren't what they seem and our heroine makes some mistakes that cost her. And probably will even more in the future. I cannot tell more about the plot without spoiling it and I don't want to make this text too long, because the book really only has about 130 or so pages. Jade for me is a heroine I can easily connect with, aside from the real powerful and immortal sorceress thing, you know. I'm afraid the trials and heartbreak aren't over for her, but I'm sure to read along.

Diesmal muss sie ihrer Familie helfen, die sie damals grausam verstoßen hat, weil sie keine Crow-Shifterin ist. Grausame Serienmorde finden statt an den Shiftern, daher ist auch der Justice mit von der Partie. Selbst für ihn scheint die Lage schwierig zu sein, denn ein Kollege von ihm ist verschwunden. Wiederwillig macht Jade sich auf die Reise, obwohl sie Bedenken hat. Dabei werden einige Geheimnisse aus der Vergangenheit gelftet. Wieder spannend und rasant, allerdings teilweise recht brutal. Wer den ersten Teil mochte, dem wird dieser auch gefallen.

Schade, dass die Protagonistin immer alles im Alleingang erledigen will, aber die Geschichte um die sektenhaften Crow People ist ungewöhnlich und hat mir sehr gefallen. Mehr davon und definitiv weiter zu empfehlen

Kurzbeschreibung They say you can never go home again. If only that were true... Game store owner and nerd sorceress extraordinaire Jade Crow knows death stalks her in the form of her murderous ex-lover, Samir, a sorcerer who wants to eat her heart and take her power. With the help of her friends, and sexy tiger-shifter Alek, Jade trains for the inevitable confrontation. Until her estranged father shows up begging for help. Someone or something is murdering the crow shifters of Three Feathers ranch and her father believes sorcery is the only way to stop the killings. Faced with an unknown foe, a family that exiled her decades before, a deepening relationship with Alek, and Samir's ever-present threat, Jade will need all the power she's gained and then some to stop the Murder of Crows. Murder of Crows is the second book in the USA Today Bestselling The Twenty-Sided Sorceress urban fantasy series.
