feating the wonderfully old-fashioned, charming sleuth Charlie and his very real-life Maine Coon cat Diesel, I have already ordered the next two books of the series. Miranda James has managed to create a set of characters one cannot help but like, she knows how to spin a yarn and writes in a style that keeps you turning page after page. The characters are life-like, the plot has a clever twist, and I can't wait to read for more books by the author.0 von 0 Kunden fanden die folgende Rezension hilfreich. NettVon TiniEin Krimi fr gemtliche Stunden. Der Kater wird sehr nett beschrieben und wer eine Katze hat kann besttigen, dass Katzen sich manchmal wirklich so verhalten als ob sie jedes Wort verstehen. Bei diesem Krimi kann man richtig mitraten wer der Tter ist.
