Von Jessica Fletcher, Donald Bain : Murder, She Wrote: Brandy and Bullets (Murder She Wrote) before purchasing it in order to gage whether or not it would be worth my time, and all praised Murder, She Wrote: Brandy and Bullets (Murder She Wrote):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sizzle to

FizzleVon Ein KundeThis book starts out superbly and ends most horribly. The ending feels increasingly rushed, which holds no satisfaction for the reader. Without spoiling the plot for those unfortunate enough to read it, this book is a great read... until you reach about 2/3 of the way through. The book falls apart. Mr. Bain starts using characters that were only slightly introduced earlier in the book and characters that he had invested quite a bit of time in, page-wise, suddenly leave. Reality takes a header out the window by the last few pages and the murderer(s) never get final justice... which is probably the most necessary component to a murder mystery, imho.I highly recommend Fletcher Bain's first novel, *Gin Daggers*, as an example of a very good Murder, She Wrote book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Jessica Fletcher is an endearing sleuth!Von Matt, 22I enjoyed *Brandy and Bullets* the most. Jessica Fletcher is, in my opinion, the best mystery writer of all mystery genre. I read her novels on cold winter nights when I'm snuggled in my warm bed and drinking tea. The Murder She Wrote books are the best, and I recommend them to every mystery reader.If anyone knows when the release date of the next Murder She Wrote mystery, *Gin and Daggers*, is announced please post it in here. Thanks.0 von 0 Kunden fanden die folgende Rezension hilfreich. DisappointingVon Ein KundeI have just finished this book and found the story a little far-fetched. Read it only if you are a Murder, She Wrote fan. Otherwise, it honestly is not worth your time.

KurzbeschreibungJessica Fletcher must catch an artistic killer in this mystery in the USA Today bestselling Murder, She Wrote series...Cozy Cabot Cove, Maine, has a country luncheonette, but not much high culture. Mystery author Jessica Fletcher is the only writer in residence, but the renovation of the local Worrell mansion into an art colony may bring scores of artistic people to town. No one, however, expected a creative killer.The posh retreat offers struggling artists a European spa, psychiatry, and even hypnotism. But soon the retreat begins to look like a health hazard. A suicide attempt and a brutal murder quickly arouse the sheriff's attentionand Jessica's. And when an old friend mysteriously disappears, Jessica fears a twisted genius is at work writing a scenario for murderputting Jessica's own life on the line.From the Paperback edition.KurzbeschreibungJessica Fletcher must catch an artistic killer in this mystery in the USA Today bestselling Murder, She Wrote series...Cozy Cabot Cove, Maine, has a country luncheonette, but not much high culture.
