Von Jessica Fletcher, Donald Bain : Murder, She Wrote: Gin and Daggers (Murder She Wrote) before purchasing it in order to gage whether or not it would be worth my time, and all praised Murder, She Wrote: Gin and Daggers (Murder She Wrote):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Another great Jessica Fletcher bookVon Jean DonovanI love these books - have read them all. They are fun to read between more serious books. I always watched Murder She Wrote on TV and am happy when a special pops up periodically. I

enjoy all the characters and places in the books which were also in the TV series - Seth Hazlitt, Mort Metzger, Cabot Cove, Mara's Luncheonette, etc. I have to agree with the person who reviewed this book before my review, I was confused about the apparent first meeting with Inspector Sutherland when Jessica had visited him before and they always seem to have fond feelings for each other. What happened? Other than that, it was as good as all the others. Looking forward to the next one "Trick or Treachery."

Von Matt, 22 Jessica has done it, yet, again. As she travels to England to visit her friend and world's most famous mystery writer, Marjorie Ainsworth, the real mystery begins. As usual, Jessica stumbles upon a body, this time it being her friend, Marjorie. The plot of the story thickens when Jessica puts her own life on the line to find the culprit who murdered Marjorie in her own bedroom. I enjoyed this book so much I couldn't put it down. Every page is a page-turner, and Donald Bain has captured an atmosphere engrossed with suspense and thrills. I'm comparing "Gin and Daggers" to other great Murder She Wrote mysteries such as "Knock 'em Dead" and "Rum and Razors." One word for Bain: Genius.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Jessica does it again, for the first time!

Von Mark Davis Excellent, couldn't put it down. Keep in mind that this is a re-release of Donald Bain's first Murder, She Wrote mystery and not the next in a series. Some familiar characters are introduced in this book and come back in subsequent books, ie Chief Inspector Sutherland. This is a "must have" book if you have read all the other Murder, She Wrote by this author.

Kurzbeschreibung Jessica Fletcher is off to London to deliver the keynote address at a mystery writers convention. She's also looking forward to seeing her mentor, Marjorie Ainsworth, who's hosting a party on her estate to celebrate her latest book. But a routine business trip becomes murderous business--when Jessica discovers Marjorie stabbed to death in her own bedroom...

From Publishers Weekly Fletcher attends a writers' convention in London where she becomes a suspect in the stabbing death of a popular author. "The mystery-writer heroine of TV's Murder, She Wrote here actually writes about a murder . . . a Jessica Fletcher puzzler sure to win new fans," PW predicted.
