The characters were interesting, and I enjoyed the story line. It's not \_amazing\_ and I decided not to keep it, but it is a solid read, and there are some truly funny scenes.People who enjoy reading about crazy relatives will enjoy it as it focuses more on the girl's family members and their antics than the love story.0 von 0 Kunden fanden die folgende Rezension hilfreich. .Von IsaHauteinen jetzt nicht vom Hocker. Die Story ist reichlich flach, ich muss aber zugeben, dass ich ein paar mal lachen musste, weil es wirklich witzig war. Trotzdem, schmalzig s, knnte glatt fr ARD oder ZDF verfilmt werden...
