Shows that love has no borders. I love cute and brave Sebastian and his true mate, Damon. Maybe we will see them again?!

Kurzbeschreibung Sebastian Bloodgood omega of the Lazarus Pack always dreamed of his alpha, Damon Wakewood. Packlore regards such dreams as a portent for fated mates. Now, with Damon dead, the dreams are all Sebastian has left. Or are they? Sebastian's intimate dreams are more than a memory of his would-be mate; they are Damon's way of reaching out from the beyond. To save Damon, Sebastian must uncover the truth behind his dreams. But when Sebastian uncovers betrayal, he realizes that Damon isn't the only wolf at stake; their entire pack teeters on the verge of destruction. The omega and his alpha must find a way to complete their fated mating union in order to resurrect Damon and save the Lazarus wolves from ruin.
