Von Lisa Renee Jones : My Control (Inside Out Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Control (Inside Out Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Inside Out Series 4.1 - a great Novella about Mark CrystalVon Bianca @BJsBBMy Control is a very short novella about Mark Crystal, written in both POVs - we already read about their story in 2 previous novellas and this one will be their last novella before they get their own full-length book next!We all just read No In Between and we know what's

happening in the whole Rebecca Ava situation. Ava has been released from prison but the police think they have enough evidence to arrest her again on Monday ... Crystal just arrived in San Francisco to help Mark with Allure - and to just be there for him. She knows he's not the right man for her - she's not the submissive type he normally goes for. But she still wants him - she wants to help him through this whole mess even though she knows she's going to get hurt in the end. Mark is this close to snapping. He's not the cool dominant in-control guy he always was. He feels responsible for whatever happened to Rebecca - and he is only now - maybe, finally - admitting that he did have love-like feelings towards her. But now it's too late - the words won't help her or make her happy, not anymore. He's alone inside his own personal hell, telling himself he can fight it alone. But Crystal. Crystal doesn't seem to care that she should be running away from him, not towards him. He doesn't understand her - he only knows that she's the cause of very new and strange feelings in him. Feelings he hasn't allowed himself to feel for a decade. And because it's all too much and too scary he tries to push her away What will happen to Mark Crystal? Will there be a HEA? What did REALLY happen to Rebecca? Will everybody die at the end? o.O Or will there be a horrible Cliffhanger? I'M NOT TELLING YOU THAT OF COURSE... I don't want to spoil anything OK - I might tell you that Mark Crystal will get their own full length novel soon: I BELONG TO YOU so - we'll see them again and of course we'll meet Sara Chris again too - there's still a last book left - Valentine's Day 2015!!! _____AMAZING NOVELLA!!! Such a heartbreakingly wonderful novella - all these little Mark novellas to prepare us for the 'real' thing I BELONG TO YOU, coming in November!!! I just love Mark! And Crystal is just the perfect woman for him. "She quiets the storm inside of me and I'll be damned if I understand it." She doesn't scare easily - even though he tries his best to push her away. This novella - short as it was - had everything we need in our #InsideOut stories ... lots of feelings and suspense and some very erotic moments too of course Poor Mark - I just want to jump into the books and hug the hell out of him.....he doesn't want to be touched though - his Subs never dared touch him. But Crystal - she just doesn't care about his famous control - she just does what she feels he needs in this exact moment. I just love those 2 together.... I CAN'T WAIT TO FINALLY READ THE FULL-LENGTH NOVEL ABOUT THEM!!! Other than the shortness of My Control I have NOTHING to complain about If you loved every book of the Inside Out series - just like I did - you will LOVE this one too ----- GO GET IT I mentioned it before - but can I please have the Inside Out TV Show on my TV tomorrow??? And can it please be a daily thing? Because I want/need to stare at (naked) Chris Mark all day long!

Kurzbeschreibung The New York Times bestselling INSIDE OUT series now in development for TV with acclaimed producer, Suzanne Todd! This novella should be read between book four (No In Between) and book five (I Belong to You). I have lost the man I once was, letting guilt and heartache define who I am. Darkness has controlled me, and one woman has seen what no one else has seen in me, what I do not wish to exist. I'm consumed with my hunger for her and my need for her has driven me to the edge of sanity, but no more. She's about to find out that the Master has returned.
