Courtesy of Teens Read TooVon TeensReadTooAlexia Garcia has always been told that she could pass for the twin of pop star Kari Kingsley. The only difference between the two is that while Kari is living the life of glamour and wealth, Alexia and her family are unglamorous and poor.So, when Alexia's enemy, Teresa, posts a mean-spirited photo of Alexia on the Internet, no one is more surprised than Alexia that it goes viral. Soon enough, things get a little weird when Alexia

gets a phone call from Kari Kingsley's manager asking her if she'd like a job working as Kari's double. Who could resist the call of Hollywood over real life? Alexia takes the job, even though her real motive is to go to Hollywood to find her father, who she never knew. While there, Alexia meets gorgeous rock star Grant Delray, who she ends up falling for. The only problem is that he thinks she is Kari. Can their relationship possibly last if he knew who she really was? MY DOUBLE LIFE is addictive and fun. It has everything a girl could want - celebrities, drama, and romance. Thoroughly enjoyable! Als eines Tages die Managerin der Sängerin vor der Tür steht und ihr viel Geld bietet, um den Star zu doublen, sagt Alexia erst mal nein. Doch dann kommt die alte Frage wieder hoch, wer ihr Vater ist und warum sie der Popsängerin so ähnlich sieht. Als Alexia dem Deal zustimmt, hat sie ihre ganz eigenen Motive, um die Welt des Showbiz zu betreten. Janette Rallison besitzt einen guten Schreibstil. Man wird von Anfang an in die Geschichte hineingesogen und möchte immer wissen, wie es weiter geht. Es ist zwar nicht alles Sonnenschein, die Charaktere haben ihre Probleme, aber das Buch ist nicht sozialkritisch. Wer es romantisch und ein wenig kitschig mag, ist mit diesem Buch gut bedient.

Kurzbeschreibung Her whole life, Alexia Garcia has been told that she looks just like rock star Kari Kingsley. But being a famous person's doppelgänger hasn't turned out to be the teen fantasy you'd expect. People look at Alexia like she must be as ditzy as her counterpart. One day when Alexia's photo filters through the Internet, she's offered a job as Kari's double. This would seem like the opportunity of a lifetime--or at least a way to make some fast cash--but Alexia's mother has always warned her against celebrities. They can't be trusted. They'll use her. Alexia can't resist the siren call of fame. Who could say no to Hollywood, hot guys, and . . . um, did we mention hot guys already? She flies off to L.A. and gets immersed in a celebrity life. Not only does she have to get used to getting anything she wants, she also romances the hottest lead singer on the charts and finds out that her own father is a singing legend. Through it all, Alexia must stay true to herself, which is hard to do when you are pretending to be somebody else! This Prince and the Pauper retelling is teen comedy at its best. Publishers Weekly has called Janette's YA contemporary romances "Hilarious."
