KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Even better than the first book!Von AthcubOn the planet Rozari Senya becomes a doctor and brain surgeon. When Space

Alliance officer Katie Golden suffers from a head trauma, he performs the brain surgery on her. After getting himself fired from the local hospital, Senya starts his own hospital and a company developing medical equipment.

Kurzbeschreibung Senya has been exiled back to the Mother Planet of Rozari. While there, he begins to understand what his real tasks are, why he has been sent here, and what he must do in the coming years. In the meantime, Lt. Cmdr Katie Golden of the Allied Spaceforce suffers a dangerous brain injury while saving her ship from destruction. She is sent to Rozari for the cure, only to wake up and discover that Senya was not a childhood hallucination after all. Now she must make a decision between the career she has chosen and a normal life or the incredible journey that Senya is bound to take her on.
