KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. frisch, witzig und ein Schuss WeisheitVon Viel-Lese-MausEine frische, witzige Geschichte. Gut geschrieben. Aber trotzdem es leichte Kost ist, wird ein bisschen Lebensweisheit mit eingestreut. Das macht dieses Buch etwas besonderes. Zudem kommt es ohne Sexscenen aus, aber die wurden nicht unterdrckt, sondern die Geschichte kommt gut ohne aus.Eine

Autorin, die ich mir merken werde!:-)

KurzbeschreibungAs it turns out, challenges can often reveal the greatest opportunities. Ada Lee was perfectly content just being herself. Yes, was then her boyfriend David suddenly got sick of her and broke off their relationship. To make things worse, the break-up was anything but graceful. Poor Ada overheard David trashing her to a frenemy, saying she had put on weight, become socially awkward, and was all-in-all incompetent at life. Ouch!What band-aid could possibly heal this ailing heart? Ada's friends think they have the magic cure and quickly swoop into action to help Ada patch her broken spirit with a beautiful exterior. Ada's new makeover boosts her confidence to new heights as her friends encourage her to focus on the superficial and lose weight, dabble in make-up, obtain a new fashion sense (or get one, period), and touch up her social skills. Ada's new look turns heads and brings in all the attention she could ever want. So why does Ada feel strangely empty? Sometimes the most obvious things are the most difficult to see, and Ada may miss an important opportunity right under her nose. As she finds out, her new glitz and glamor have blinded her, and she is about to miss life-changing opportunities and hurt those she loves. Will she be able to get back to what really matters and fix things before it is too late?Author Rebecca Moisiso explores self discovery and what is really important in My Fairy Godmother Must Be on a Strike. Her highly-rated first novels are enjoyed by readers looking for fresh characters and entertaining plot twists. Be sure not to pull an Ada! Don't miss the opportunity to read Moisiso's enthralling Death at Penrose Hill and The Runner.
