Von Rosen Trevithick : My Granny Writes Erotica (The Original Quickie) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Granny Writes Erotica (The Original Quickie) (English Edition):

Kurzbeschreibung Where on God's green earth am I going to raise that sort of money? Im a pensioner! thought Betty. Then her eyes fell on her daughters copy of Fifty Shades of Grey. 65-year-old Betty had given up on her lifes ambition to write a bestselling novel. However, after walking in on her husband with a lady of the night, she finds herself single and with mounting debts. In need of a get rich quick scheme, straight-laced Betty decides to try her hand at writing an erotic novel. With little experience in matters of the libido, Betty finds herself ill-equipped to pursue her goal. So she sets out to acquire carnal knowledge without arousing the suspicions of her prudish friends and uptight family. When her embittered mother-in-law finds a butt plug in the slow cooker, it seems like the game is up. Will Betty be able to prevent bankruptcy with her salacious prose before her source of income is exposed? This is a novella by number 1 bestselling author, Rosen Trevithick (~23,000 words). This is NOT the novel 'My Granny Writes Erotica - Threesome' (but this quickie is included in the novel).
