Von Z.A. Maxfield : My Heartache Cowboy: (Intermix) (My Cowboy) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Heartache Cowboy: (Intermix) (My Cowboy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cute cowboy love storyVon JohannaI had a hard time getting into this book at first even though it belongs to one of my most favorite genres: m/m romance. I'd never read anything about cowboys before and was really looking forward to

reading this one. It took me quite a time to get through the first 30% and I wondered why. Then I got it. Maxfield chose to write the book from the perspective of Jimmy Rafferty, stubborn alcoholic. And she does that very thoroughly. Having seen the world through his eyes, I have no idea what he looks like. I couldn't even give you his last name had I not read it in the blurb just now. And like all addicts, Jimmy is in complete denial. He's an ass most of the times and that's what his thoughts reflect. And, maybe most importantly, I'm sure that he also had a little depression. So, it was really really hard to get into his mind, to relate to his thoughts which often seemed unfair and jumped from extreme highs to extreme lows. Another problem was that the book started very suddenly without any introduction of sorts. I hadn't read *My Cowboy Heart*, the first book in the series. So, I didn't know what the J-Bar was (I thought it was a bar), I didn't know Malloy (who I thought owned the ranch because they talked of him as the boss) and any other characters from the previous book. I think Maxfield should have made it more easy to get into her series for new readers. But then, when I finally understood her approach I ended up really enjoying the book. I could see Jimmy's pattern of denial, anger and ultimately acceptance. When the author reveals the past of both Jimmy and Eddie, so many things become clearer. It broke my heart how Jimmy would do anything just to keep Eddie without realizing at all that he was already in love with him and has been for the past fifteen years. I had the usual moments when I felt like I need to yell at the characters because they couldn't read each other when I could do it so easily. But that belongs to the romance reading experience because misunderstanding almost always belongs to love. Overall I can say that *My Heartache Cowboy* is a decent book which will certainly find a lot of fans. I think I'll also read the first book since Malloy and Crispin's story sounded really interesting.

Kurzbeschreibung Can love conquer all? Jimmy Rafferty and Eddie Molina go way back at the J-Bar ranch. They've worked together, bunked together, camped out, and drank together. So how has Jimmy failed to notice that Eddie is gay? Eddie has not failed to notice that his friend has a serious drinking problem, and he's determined to help Jimmy kick the booze cold turkey. Taking him up to a snowbound cabin to detox, Eddie is confronted with Jimmy's fierce denial. But the pains of withdrawal are nothing for Jimmy compared with the heartache of denying his true feelings and his deep longing for the one man who cares for him more than anyone else on earth. Praise for Z. A. Maxfield: Z. A. Maxfield has a lyrical way of writing that makes it easy to escape into the world that she creates for her characters. *Night Owl* s[A] damn good story and a hot, exciting romance. Dear Author Maxfield has written another gem and a winner. Run, don't walk, to get a copy of *Stirring Up Trouble* today. sbyJessewave.com *Secret Light* is not necessarily a feel good story but it's wonderfully written and highlights a more realistic look at gay men. Long and Short s The characters are strongly written and will pull you into their story right from the beginning. Three Crow Press about Gasp! Z. A. Maxfield started writing in 2007 on a dare from her children and never looked back. Pathologically disorganized, and perennially optimistic, she writes as much as she can, reads as much as she dares, and enjoys her time with family and friends. If anyone asks her how a wife and mother of four manages to find time for a writing career, she'll answer, It's amazing what you can accomplish if you give up housework. Her published books include *Crossing Borders*, Epic Award finalist *St. Nachos*, *Drawn Together*, *ePistols at Dawn*, *Notturmo*, *Stirring Up Trouble*, and *Vigil*.
