**Von Max Vos : My Hero (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Hero (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Flssig,

witzig, sexy Von Leo Wer nun wessen Held ist habe ich bis zum Schluss nicht sagen können. Rich hat Jonny vor dem Ertrinken gerettet. Jonny hat mehrmals Rich vor homophoben Grobianen beschützt. Es hat mir auf jeden Fall gefallen und hätte auch noch etwas länger sein können. Ein lustige Stelle im Buch: Rich bernachtet zum ersten Mal bei dem bei den Eltern wohnenden und ungeouteten Jonny. Beim Essen mit den Eltern sagt Rich ganz nebenbei, dass er selbst schwul ist. Jonny blst vor Schreck sein Getränk über den Tisch. Die Augen der Eltern richten sich auf den Sohn. Der Vater fragt, "Hast du uns etwas zu sagen?".

**Kurzbeschreibung** When he was sixteen years old, Rich Miller saved a young man from drowning at his local pool. Little did he know that years later, as a senior in college and Olympic diving hopeful, Rich would meet up once again with Johnny Milloway, now a big football player and when Rich says big, he really means bear. The shy jock remembers his saviour, and the two men become friends. Johnny isn't put off by the fact that Rich is gay. In fact, the more time he spends with Rich, the more curious he becomes. Johnny wants to know all kinds of things what its like to kiss a guy, for instance. Only it doesn't stop there Rich finds it difficult to believe that this relationship can go anywhere. Johnny is straight, and Rich isn't prepared to deal with the heartache he knows will come his way in the future. He has enough on his plate as it is the Worlds are just around the corner, his father would rather watch a football game than spend time watching his son dive. What he doesn't count on is Johnny, who can be very determined. And having Johnny in his life proves to be a catalyst for some pretty earth-shattering changes.
