Von Max Vos : My Hero: The Olympian (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Hero: The Olympian (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Johnny

and Rich are back! This is such a great book Von Claudia Polydoro[.....]When I reviewed the audiobook version of My Hero and Max told me he was working on its sequel, I got really thrilled. I fell in love with Johnny and Rich at first sight. How they faced their own fears and insecurities to be themselves and to be together, so I was sad when the book ended but so happy when I got to see more of them. In My Hero: The Olympian, we get more of Johnny sassiness (Oh my, I so love his sense of humor), and more of sweet Rich, while they go through the harshness of reality intruding into their dream world. Being Out and Proud, especially for a football player, is not as easy as Johnny thought he has to face hate, prejudice and anger from people he should be able to trust. What I love most in their story is the lengths each of them are willing to take for the other, for their love and happiness. They have grown so much from the first time they met Rich is focused on his Olympian dream, but now, having Johnny's love as his anchor, he can put all his priorities into perspective something that he never realized was missing in his life And I loved seeing more of Dan, Johnny's parents and Virgil, they are truly special and supportive, and such a great addiction to the story. Thank you Max for giving life to these sweet guys that have stolen a piece of my heart. Their story made me laugh, giggle, sigh and have a really great time. Don't miss this great book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Leider nicht besonders gut ... Von M. Igel Ich mochte den ersten Teil sehr und habe mich auf dieses Buch sehr gefreut. Es ist wie ein langgezogener Epilog zum ersten Buch, die Figuren entwickeln sich, die Liebe ist ungebrochen und wird an alle mitverteilt. Alles ist ganz nett. Aber Johnny wird wie ein Achtjähriger dargestellt und von allen so behandelt. Ich weiß nicht warum seine einzige Emotion Hunger ist und versucht wird, das selbstironisch darzustellen. Es hat genervt. Er ist der Einzige, der sich nicht weiterentwickelt. Der Hauptcharakter ist der Olympionike, alles dreht sich um Rich und was er und sein Vater machen. Er wird von allen als Held gesehen, weswegen ich es unlogisch empfinde, warum Ihnen und allen anderen Schwulen in diesem Buch so viel Hass entgegenschlägt. Immer ist alles schlecht, vom Sport abgesehen und das Negative steht auch noch so stark im Vordergrund. Man kann doch auch positive Erfahrungen als Schwuler machen. Außerdem liebt Amerika seine Sporthelden doch sehr. Und trotz all dieser negativen Erfahrungen, zeigt Johnny nur eine Emotion ... Hunger. Kann eine Beziehung zwischen dem Hungrigen und einem erfolgreichen, etwas zu ernstem Erwachsenen Bestand haben? Unrealistisch und nicht sehr lesenswert. Positiv gesehen ist es ein sehr gut zu lesendes und verständliches Buch. Aber ich mochte es einfach nicht. Insgesamt weniger Liebesgeschichte, mehr zeitgenössischer Roman. 0 von 0 Kunden fanden die folgende Rezension hilfreich. How to put in words when a book is THAT awesome!!! Von BookwormDRich and Johnny are back! I loved reading their continued life together and how their characters developed and how they became strong together as a couple to conquer the world pretty much. A sure sign to me that I experienced a wonderful story is when I get to feel so much while reading the story and boy did I feel. Thank you Max Vos for a wonderful sequel of "My Hero"!!

Kurzbeschreibung After a romantic evening, Rich and Johnny face the light of day as a couple. Johnny's coming out forces them to face some serious repercussions as the world of collegian jocks adjust to their first openly gay football player. Rich is still working towards the World Diving Championships with his hopes and dreams set on the 2012 London Olympic Games, while as a couple they deal with concerns closer to home. With the support of friends and family, the young couple grow closer together, but with prejudices and adversity at every turn will Johnny and Rich be able to tackle the world together? No matter what, Rich will always be Johnny's hero. Kurzbeschreibung After a romantic evening, Rich and Johnny face the light of day as a couple.
