Perfect Novella about Mark - now I can't wait for his full-length book!!!!Von Bianca @BJsBBBefore you start reading this review - please read the wholeInside Out Series up until My Hunger!If you haven't yet - you're missing out on some of

the best books EVER (and of course my review might spoil some things for you!!!)My Hunger is a !!!!!short Novella!!!! about Mark - it's starting right after we left him in The Master Undone. He's in New York - at the hospital with his mom. And of course there's Crystal again - his mother's assistant. Remember? Mark and Crystal spent a very sexy night together before she left him in bed with only a little note telling him it didn't mean anything.And the worst thing? Crystal is SO not the submissive girl that Mark usually goes for - NEEDS to go for.But he just can't forget her.Added to all his confusion about Crystal, and the worry about his mom are the things that happened back home in San Francisco: Ava killed Rebecca to have Mark for herself.Now that Ava retracted her confession, the police need to find someone who they can blame this whole mess on. And it's either Mark oder Chris and Sara who are still in Paris.Mark is trying his best to get through all of this - to be there for everybody and to prevent even worse things from happening - but he can't be everywhere at once.....What will happen to Mark Crystal?Will there be a HEA?Will everybody die at the end? Or will there be a horrible Cliffhanger?I'M NOT TELLING YOU THAT OF COURSE... I don't want to spoil anything OK - I might tell you that Mark Crystal will get their own full length novel with:I BELONG TO YOUso - we'll see them again and of course we'll probably hear from them again in No In Between and My Control _____AMAZING NOVELLA!!!It was wayyyy too short though :(but I know that I will see Mark Crystal again *happydance*I LOVED this tiny little Novella - I was so sad when I finished The Master Undone - I needed to know if there was a future for Mark Crystal - and now there might be...I can't wait for the next books in the series!!This novella - short as it was - had EVERYTHING a great book needs:SEXY SCENESSUSPENSIVE SCENESMOVING SCENESFUNNY SCENESOther than the shortness of it I have NOTHING to complain about If you loved every book of the Inside Out series - just like I did - you will LOVE this one too -----GO GET IT Now I can't wait for the next books!!!!!!

KurzbeschreibungThe New York Times bestselling INSIDE OUT series now in development for TV with acclaimed producer, Suzanne Todd!This novella should be read between book three (Revealing Us) and book four (No In Between). And after The Master Undone, which also fits between books three and four.While Chris and Sara have traveled to Paris to avoid the chaos of press and police after the tragic events in San Francisco, I have stayed to face the reality of what has happened. But there is no peace to be found in facing the truth, and no truth to be found in the confessions that have been made and retracted. I am a Master, all about control, and yet right now, facing great tragedy, I feel as if I have none. I find sanctuary in the one place I've promised I will never be again, but cannot seem to resist.
