Von Jill Jones : My Lady Caroline (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Lady Caroline (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spectacular book, esp. for Byron and Lady Caroline Lamb fansVon Melody PackmanI picked up this book because I

am an avid lover of Caroline Lamb. I was not disappointed. After Jill Jones had done extensive research about Caroline and Byron, she was able to incorporate her knowledge into some well-developed characters--I truly felt Caroline was portrayed in a realistic way; I have done some research on Caroline Lamb and I felt her character in this book was on the same line as Caroline Lamb was in real life. I was impressed by that element. From the first page, I knew I would enjoy this story, because it was quite a page turner. I couldn't stop reading it. I love how the backdrop is rendered; Jill Jones does a great job with detail and I felt like I was there with the characters. I like the idea that the author put you in the minds of both the hero and heroine so you could see the contrast in their thoughts. It was fun to see how one thought the other was thinking something when in reality they were thinking the opposite! :) I didn't think the book was predictable which was quite a plus. I liked the whole idea of involving real literary people with fictional ones. I am looking forward to reading her next book. A great book for people who like historical books and also romances.0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining Concept - Brat HeroineVon Ein KundeI was fascinated with the potential for this story - a story that interweaves a present-day heroine into a mystery from the past, this is normally my favorite kind of story. So I delved into Lady Caroline with high hopes. Those came crashing down when I encountered the "spoiled rich girl" heroine who thinks she can "tantrum" her way into buying an old English estate which used to belong to Lady Caroline - Lord Byron's lover. The diaries, which are fictional accounts of entries written by Lady Caroline and Lord Byron are fascinating and seem so real. But the present-day heroine, as I said, is so immature that she spoils the story for me. I also didn't find the villainous lawyer credible. The hero is sexy - and the story of Lady Caroline/Byron the real pull that kept me turning the pages. If you can get past the present day characters - then the story is entertaining, but if you can't, then you may find the story disappointing, as I did.0 von 0 Kunden fanden die folgende Rezension hilfreich. Lady CarolineVon Doris RobinsonI enjoyed this book very much. I thought it was truly a page turner. Jill Jones makes the old estate seem very real with her vivid imagination. I can just imagine being there and all the excitement that I would be experiencing.Review submitted by D. Robinson.

KurzbeschreibungSpellbinding author Jill Jones continues to carve out a unique niche with her captivating, unusual novels. Romantic TimesAlison Cunningham endures her parents' tragic death with as much grace as she can muster, but her grief is overwhelming, and she's soon trying to seek them out through the powers of sance. Instead of speaking to her beloved family, she makes contact with the ghost of Lady Caroline Lamb. The once beautiful but high strung Caroline has some unfinished business, and Alison may be the only one who can help her.Carolines scandalous 1812 affair with legendary charmer Lord Byron ended in bitter betrayal and vengeful madness. But even from beyond the grave, Caroline is determined to set the record straight. Convincing the wealthy but naive Alison to purchase the Dewhurst Manor where Lord Byrons memoirs and his declaration of love to Caroline are hidden, she hopes to see Byrons true feelings revealed.When Alison arrives at the old house to begin her search, she finds an arrogant British antique dealer there instead, also seeking the potentially incendiary memoirs. Suspicion and anger flare between the seekers but so too does a passionate desire as electric as that of Caroline and her once adoring poet.KurzbeschreibungSpellbinding author Jill Jones continues to carve out a unique niche with her captivating, unusual novels.
