Von Gayle Wilson : My Lady's Dare (Mills Boon Historical) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Lady's Dare (Mills Boon Historical):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Wonderful Regency Twist!Von Holly FELizabeth Carstairs is infamous. One of Britain's elite searving as the mistress of a gambler and working in a gaming hell? Elizabeth also has a secret. And when Valentine Sinclair, the Earl of Dare, wins her in a bet, he jeopardizes that secret by touching the heart she'd thought had long ago withered up and died. The pain of its resurrection is almost to much to bear.Dare doesn't know what to do with his jaded innocent. The mask of

ennui she wears as easily as her risqué gowns occasionally slips and lets him see that there is more -- so much more beneath the surface. And though he's not sure why, Dare wants to discover just what Elizabeth is hiding. But more than that, Dare wants to do the one thing that society will never permit -- he wants to marry her. And marrying Dare is the one thing that Elizabeth's love can never allow. Gayle Wilson has written a masterful regency without the expected virgin bride. Instead she's written a well-layered, multi-dimensional hero and heroine in this powerful story of intrigue and betrayal . . . and love. 1 von 1 Kunden fanden die folgende Rezension hilfreich. An emotional and moving read! Von Michelle Butler My Lady's Dare is a heart warming story with three dimensional characters, historical detail and emotion. Like most of Gayle Wilson's previous works, this novel addresses what is honor. Elizabeth and Dare are faced with impossible choices, and they must decide what is the right thing to do. Elizabeth's journey to self-respect and forgiveness is particularly poignant. In the most moving love scene I've ever read, Dare helps to convince Elizabeth that she is deserving of respect. I have read all of Gayle Wilson's novels, and this is the best one yet. Be warned though. Have a tissue at hand for the last third of this story. The only way Gayle Wilson could have improved this story was to make it longer. If you like regency historicals with powerful emotion and a strong sense of place, read My Lady's Dare.

Kurzbeschreibung Valentine Sinclair, the Earl of Dare, was an enigma, even to those who professed to know him well. For while his morals seemed suspect and his leisure pursuits as reckless as any of his well-heeled peers', there was something lurking beneath the facade of good looks, wit and charm that he so skillfully hid behind. Or so it had seemed, until the night Dare wagered a small fortune for a French gambler's English mistress, and won. Now, with the stunning widow installed at his town house, even the Matchmaking Mamas of the ton were doubting that the Earl of Dare would ever recover his good name, for it appeared that the infamous Mrs. Carstairs was destined to become a Sinclair Bride. Kurzbeschreibung Valentine Sinclair, the Earl of Dare, was an enigma, even to those who professed to know him well. For while his morals seemed suspect and his leisure pursuits as reckless as any of his well-heeled peers', there was something lurking beneath the facade of good looks, wit and charm that he so skillfully hid behind. Or so it had seemed, until the night Dare wagered a small fortune for a French gambler's English mistress, and won. Now, with the stunning widow installed at his town house, even the Matchmaking Mamas of the ton were doubting that the Earl of Dare would ever recover his good name, for it appeared that the infamous Mrs. Carstairs was destined to become a Sinclair Bride. Autorenkommentar The Sinclair Brides from 4-time RITA finalist Gayle Wilson Elizabeth Carstairs has guarded a secret during the two years she has worked in the London gaming hell of emigre Henri Bonnet. A secret that has forced the English gentlewoman into a role far from that she had been destined for from birth. Valentine Sinclair, the Earl of Dare, has secrets of his own. Disguising his courage and his daring intrigues behind the convenient masks of his title and his place in the Prince Regent's circle, Dare fights the French in the field of espionage while his younger brothers fight them on the battlefields of Spain and Portugal. When Dare wins Elizabeth in a card game, he isn't sure what to do with the beautiful faro dealer. He brings her to his London town house, where he discovers both intelligence and kindness hiding behind the mocking wit Elizabeth uses to conceal her fears. And he finds himself falling in love with a woman society will never permit him to marry, one he loves far too much to make his mistress. If Dare can uncover the secrets Elizabeth hides, he will be able to free her from a bondage more terrible than even he can imagine. And in uncovering Elizabeth's secrets, Dare must be very careful not to reveal his own equally dangerous ones.
