**Von Samantha James, Sandra Kleinschmidt : My Lord Conqueror (An Avon Romantic Treasure)** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Lord Conqueror (An Avon Romantic Treasure):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. A fast-

paced, sensual read. Von Ein Kunde I've never been a fan of the Medieval period, but after reading My Lord Conqueror, Samantha James has got me hooked. Merrick and Alanna are two strong-willed people who butt heads many times throughout the story. He is a Norman who has conquered a Saxon village. She is his Saxon slave. Though Alanna vows to hate him for the rest of her life, and Merrick swears that she will be his slave until he deems otherwise, there is no denying the feelings they have for each other. I like the way the author describes Alanna's feelings of confusion. She is a Saxon who is falling in love with the enemy and she doesn't know what to do. I also like the way the author describes the settings, the clothes and the people's way of life.

Kurzbeschreibung By rights, Merrick of Normandy should shun the serpent-tongued beauty who wishes him dead. But Alana's sensuous fire draws him to her -- and burns him to his warrior soul. It is he who is lord and she the captive. Yet Merrick can never claim true victory until the proud Saxon maid shares his passion -- and embraces him as master of her heart. Kurzbeschreibung By rights, Merrick of Normandy should shun the serpent-tongued beauty who wishes him dead. But Alana's sensuous fire draws him to her -- and burns him to his warrior soul. It is he who is lord and she the captive. Yet Merrick can never claim true victory until the proud Saxon maid shares his passion -- and embraces him as master of her heart. ber den Autor und weitere Mitwirkende It was Samantha James's love of reading as a child that steered her toward a writing career. Among her favorites in those days were the Trixie Belden and Cherry Ames series of books. She still loves a blend of mystery and romance, and, of course, a happily-ever-after ending. The award-winning, New York Times and USA Today bestselling author of many romances and one novella, her books have ranged from medieval to Regency.
