**Von Alexandra Ivy : My Lord Eternity (Immortal Rogues series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Lord Eternity (Immortal Rogues series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Plain and simpleVon Helen HancoxThis is the middle book in a series of three and its the first Ive read by this author. She

ensures, however, that the reader is able to follow the plot by giving the background as necessary. Lucien Valin is a vampire who is tasked to protect mortal maiden Jocelyn Kingly who is one of three humans who has been given part of a special amulet to wear to keep it safe from rogue vampires. Lucien rents a room in Jocelyns house and tries to get to know her, soon discovering that theres a lot more to her than he thought. However the baddie vampire, Amadeus, is trying lots of different ways to persuade Jocelyn to give up the amulet and Lucien may not be able to keep her - and the vampire world - safe. There was something strangely simple about this book, almost as if it was written for a child. The plot was fairly basic, peoples behaviour seemed rather generic and predictable and even the baddie didnt feel very scary when we met him. The setting is London in the 19th century and we read a lot about the problems in the stews and of orphan children although somehow I didnt find myself quite convinced, perhaps because Jocelyn seemed too good to be true. It also jarred that a character was called Vicar Farlow which is not a way in which a vicar in the UK would be addressed - he would be called Mr Farlow. There was little conflict within this romance which was in some ways a relief - I get fed up with misunderstandings as pure plot devices - but I felt the romance was a bit plain and uninspiring. Overall this was a rather forgettable read. Originally published for Curled Up With A Good Book Helen Hancox 20130 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz nett Von outofthevalley Eigentlich stehe ich nicht so auf Bcher die in vergangenen Epochen spielen - aber das hier liest sich gut in einem Rutsch weg. Nette Liebesgeschichte und auch ein bisschen Action - was will man mehr.

Kurzbeschreibung Alexandra Ivy, author of the Guardians of Eternity series, draws readers deeper into the world of the Immortal Rogues--three vampires entrusted to protect the future of their kind. . . To other vampires, mortals are weak, uninteresting creatures. To Lucien Valin, they are infinitely fascinating. Especially Jocelyn Kingly--once the prize of London society, now an outcast. As the vampire assigned to guard her, Lucien is relishing his task. But her beguiling goodness puts her in terrifying danger. Not just from the traitor intent on claiming her mysterious amulet, but from the desire Lucien struggles to keep in check. Youthful infatuation already cost Jocelyn her good name. But even with little to lose, instinct tells her that accepting Lucien as a tenant in her home is a devil's bargain. As she roams London's streets at night, helping the most wretched, she feels a dark force drawing near. And Lucien--magnetic, charming, irresistible--may turn out to be her savior, her lover, or the means to change her destiny forever. Praise for My Lord Vampire "The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal."
