Von Elizabeth Bevarly : My Man Pendleton (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Man Pendleton (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Marry the Boss's Daughter?Von S. ArltPendleton couldn't believe his ears. He'd taken this new job hoping to make money, not marry into it! But if runaway heiress Kit McClellan didn't agree to enter into wedded bliss soon, the entire family fortune could be willed to the homeless pets of Louisville. Someone had to find Kit and bring her back as his fiancée -

and his boss was telling Pendleton he was just the man for the job. Trouble was, Kit didn't give two hoots about her fortune - she was looking for love... (excerpt from the cover). The book was great fun! Starting with this amazing situation, Pendleton, as sexy, attractive and handsome as he is, turns out to be an irresistible bait for Kit, who is well aware of the risks to fall in love with the wrong person. But this cool businessman proves he is worth her trust - despite of the misleading interventions of her family - and turns out to be a strong and loveable man. So he and Kit develop a quite unorthodox relationship - full of witty dialogues, surprising incidents and amusing twists. All in all a very nice read. 2 von 2 Kunden fanden die folgende Rezension hilfreich. A Charming and Funny Read! Von Ein Kunde I loved this book. I have to disagree with some of the amateur "reviewers" who didn't like Kit. Sure, she could be a brat at times, but boy, was she motivated! I'm so tired of reading about noble, flawless heroines I can't identify with. I mean, look at GONE WITH THE WIND! Who do you remember? Scarlett or Melanie? I hope Ms. Beverly writes many more heroines I can identify with and many more heroes like Pendleton that I can swoon over! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Extremely disappointing. Von Ein Kunde The character of Kit was simply awful, an obnoxious brat, odious enough that I don't know how ANY man could fall for her. And the character of Pendleton was so underwritten that I felt at times he was almost ghostly. The fact that he seemed to have no first name was only a part of this problem. I say, don't bother. In fact, I never made it all the way through this book before giving up in disgust--there are too many other good books out there for me to waste my time with bad ones.

Kurzbeschreibung Marry the boss's daughter? Pendleton can't believe his ears. He took this new job hoping to make money, not marry into it. But if runaway heiress Kit McClellan doesn't agree to enter into wedded bliss soon, the entire family fortune could be willed to the homeless pets of Louisville. Someone has to find Kit and bring her back as his fiancée and his boss is telling Pendleton he's just the man for the job. Trouble is, Kit doesn't give two hoots about her fortune; she's looking for love, the sweep-you-off-your-feet kind of passion she's never had before. When Pendleton comes striding into her life, sexy, attractive, and oh-so-handsome in his business suit, her heart tells her she's finally found Mr. Right. But what if her heart is steering her wrong? Kurzbeschreibung Marry the boss's daughter? Pendleton can't believe his ears. He took this new job hoping to make money, not marry into it.
