Von Brei Betzold : My Misery Muse (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Misery Muse (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Finding an editor is a must.Von AnelavaOk, I am definitely a sucker for love stories about tattooed and pierced guys, tortured and brooding. This book has not only a brooding male character with the previously mentioned traits but a tattooed and pierced female heroine with spunk. So I liked the story, it's pretty much stereotypical: love, break-up, secret, mistakes done and wrong words said. It was ok, but a little bit underdeveloped. I think the author could have pulled

out a lot more out of the plot. The most important thing is though that the number of grammar, spelling and punctuation mistakes was definitely overwhelming - and English isn't even my native language. I almost spilled my Coke as I read "I knew I wouldn't be able to hold off much longer from plunging into her balls deep." That's the moment where you shouldn't miss a comma. :) So if you can make yourself not to pay attention to those grammar difficulties and you don't need an alpha male for the main character, you will definitely enjoy the book.

Kurzbeschreibung**Mature Warning 18+**First young love gets sidetracked by dreams that take them on two different journeys, but an unknown bond brings them back together again. Devi Porter an up-and-coming tattoo artist in Dallas is trying to live her life as best as possible, but never able to forget the love she had with Seth. Seth a bassist for the popular band My Misery Muse is struggling with his fellow band members with the lifestyle that he now lives. The band decides to go home to Dallas to work on their latest album as well as to work out their problems out from under the glare of the media. Seth and Devi meet up again and both realize they have a lot to work out between themselves as well. As they get reacquainted life and obstacles are thrown at them at every turn are they able to overcome them to become the family neither really had.
