Von Evangelene : My Most Precious One (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Most Precious One (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. geht so Von Simone Haeseler Der Roman war nicht schlecht, hätte aber ruhig das letzte Drittel fehlen können, diese ganze Selbstfindung hätte eher zu jemandem gepasst der 20 wäre aber nicht schon 28 Jahre. Außerdem was will man mehr als

jemanden der einen auf Hnden trgt ? Erst regt die sich auf das er km er geht ohne zu sagen was los ist und dann macht sie das gleiche. Was ein wenig irritierend war, ist das es wenig Abstze waren. Erst liegen sie sich in die Arme und im nchsten Satz irrt die Woche vergangen. Ich wei nicht ob ich den Roman noch einmal lesen wrde, vor dem letzten Drittel htte ich gesagt ja, danach nicht mehr.

KurzbeschreibungRelaunched on April, 8 2014.Editing by Hot Tree Editing. Alexia, Lexi to all her friends, lived her life her way. Even if it meant putting aside her dreams and dealing with her overbearing mother. She loved the world she had created for herself as a waitress in a chic Montral bistro. Until one day, a businessman comes into the bistro and challenges the life shes come to love. Shes caught between her desire for him and the desire to protect what she herself has created. He is domineering and strong with all his wealth and power, as he unapologetically pursues her. Should she give in? Should she set aside who she is and be with him in his world? Lukas Blakk is exactly what Lexi has always wanted, but the man has a past that Lexi might not be ready for. KurzbeschreibungRelaunched on April, 8 2014.Editing by Hot Tree Editing.
