KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Niedliche Short StoryVon VioMelanie mchte von zu Hause ausziehen und verguckt sich beim Besichtigen eines

Appartements in den hinreißenden Mann von gegenüber. Sie mietet die Wohnung und verbringt schon bald ihre Zeit damit, ihren neuen Nachbarn Mike zu beobachten, dem ihre Neugierde nicht verborgen bleibt. Diese erotische Kurzgeschichte von Elodie Short ist eine jener kurzen Fortsetzungsgeschichten, die bei Autoren seit der Erfindung von E-Books wieder sehr beliebt sind. Die Geschichte ist recht nett, wenngleich sehr einfach geschrieben, die Charaktere sind sympathisch, aber bleiben oberflächlich. Fazit: nett, aber belanglos

Kurzbeschreibung Melanie is ready to start her life. This means moving out of her parents' house, and renting her own place. The first apartment she views spikes her interest immediately, but it isn't so much the apartment itself that seals the deal for her, it's more what she sees across the street. After moving in, she gets a chance to meet her new neighbour, the object of her recent fantasies. She quickly finds out that the attraction for him isn't a one way thing, he is attracted to her as well. Content warning; Adult content. 18+ Kurzbeschreibung Melanie is ready to start her life.
