Von Katherine O'Neal : My One and Only (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My One and Only (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great potential....Von SarahThis story had great potential, being set in a time period and location not usually written about. All in all, the story was good, and enjoyable to read, it just wasn't great. Max and Kitty are dynamic characters and play off of each other fairly well, but many of the scenes were stale and clich. A crocodile wrestling scene? Although highly unlikely, and very convenient for the story, I enjoyed the fact that Kitty is an aviatrix. I would have enjoyed it even more if there were more details as to what exactly that meant in the early 1900's. There was a lot of talk about the first English Channel crossing, but little discussion on the actual planes themselves, what it meant to fly one, and how different flying was then than it is now.I can understand much of Max's physical training, especially since he had a

long time to learn, but for an 11 year old girl, to train for 2 to 3 months, Kitty learned an awful lot and mastered her skills quickly. That she could call upon this learning 10 to 15 years later astounds me. I can appreciate that she is adventurous and out going, an auspicious thing to be for a woman at this time, it just seemed a little too unbelievable to be comfortable reading. Their feats as cat burglars were also highly suspect. The places they were able to break into would have been much more difficult to do. Once again, I call on the potential that this story could have had, this time in the secondary characters. I would have liked to have seen a little more interaction and depth between all of the players in both England and India. Also, a few more details wouldn't be amiss. There was a lot of interaction between India and England. How was this accomplished? How long did it take to travel back and forth? How long did it take to get correspondence through? I am a little shaky on the turn of the century inventions, did they use the telegraph? telephone? steam ships? We are told that the English were corrupt, but what about the people of India? We saw one faction group, were there many? Were they organized? I don't know much about India at that time, and would have loved to have learned more. All and all, *My One and Only* is worth reading, I just wish there was a little more there.

Each is searching for a ruby called The Blood of India. Tiger is actually Max, the adopted son of an Italian count. Kitty is the daughter of an Englishman and his half-Indian wife. Due to a freedom attack on English children, Kitty had left India in fear. Max reminds her of Cameron, a boy she was in love with while she lived in India. She saw Cameron killed; and she has dreamed of him, and India, through the years. Max and Kitty have an instant attraction. However, their desire for the same stone, will lure them into trouble and a reluctant partnership. Each has a compelling reason to find that stone, The Blood of India. And those reasons will pull them apart. The story itself, will tell us what, if anything, will bring them together. Max and Kitty are two magnetic leads. Kitty flies planes, is an adventuress, and is engaged to Cameron's half brother. Max is a wealthy womanizer, and adventurer, with a hidden past. His sensual pull, grabbed me, as a reader. I could easily see why Kitty would desire him. I learned things about India, it's beauty, some of it's history, while reading this book. Ms. O'Neal, herself, lived in India at one time. Combined with the history, is an interesting plot, lots of action, a complete cast of supporting characters, and several sexy love scenes. This is a book I really enjoyed. I do plan to read it again.

Von Mrs Giggles 1909 India is a wonderful place to set a romance, what with the political turbulence just waiting to explode. Put in two cat burglars and a diamond and a heroine who sounds like the next Amelia Earhart and I can't get home to tear into this book soon enough. Alas - the book reads like a bad imitation of "The Hunkey Mach Studly Hero And The Killer Pagans of Unggulu Island" or any other B-grade straight-to-video movies. People talk in grandiose manners - "I will die if you will ever leave me!" - they even die in impressive manners, slowly falling down staircases in slow-mo. It doesn't help that the heroine's name is Kitty, and her Barbie-doll name only reflects her nature fully as she clings to the hero whenever there's trouble. The hero with his superhuman strength can do everything, too bad that everything doesn't include some semblance of human emotion. Grandiosity, corniness, and some really cheesy adventures (check out the "Swimming With Crocodiles" scene!) can be fun when one mixes in enough humor and wit. Humor and wit are clearly lacking in "My One And Only" - rendering it a total loss even as a guilty pleasure.

Kurzbeschreibung A seductive cat burglar . . . the worlds largest ruby . . . the siren song of an exotic land . . . What better ingredients for another of USA Today bestseller Katherine O'Neals magic-carpet rides of heart-pounding adventure and envelope-pushing steamy romance? Katherine O'Neal continues her reign as the queen of romantic adventure. *Affaire de Coeur* A gripping journey . . . plenty of intrigue, romance, and daring. *Rendezvous* Pressestimmen Praise for Katherine O'Neal, winner of the Romantic Times Award for Best Sensual Historical Romance: "O'Neal provides vibrant characters and settings, along with plenty of intrigue, daring escapes, 11th-hour twists and steamy romance." --Publishers Weekly *The Last Highwayman*: "One of the most brilliant debut novels to come along in many months. Powerfully written, sophisticated, well researched, highly romantic, smoldering with sometimes erotic sensuality (la Susan Johnson) and adventure." --Romantic Times *Princess of Thieves*: "[A] dramatic story that is both sensuous and spine-tingling... Superb." --Rendezvous "A whirlwind of adventure/romance that seethes with dark, intense emotion and wild, hot sensuality." --Romantic Times *Master of Paradise*: "Every page will thrill you." --Rendezvous *Bride of Danger*: "A fast-paced, searingly sensual novel brimming with plot twists that keep you guessing till the end. A winner." --Milwaukee Journal Sentinel *Written in the Stars*: "Katherine O'Neal continues to reign as the queen of romantic adventure." --Affaire de Coeur
