timeswept Romance with passion at its best. Von Ein Kunde Keighly's insight and wisdom within her own young soul carries you off into a life truly meant to be. From the very beginning you want her to meet Darby flesh to flesh. She holds your hand tightly as she takes you along through her dreams and desires to her true heart song. Each moment you feel the yearning in her heart, the passion of her soul and the connection she and Darby have. Your eyes twinkle with the laughter and mist over from the pain but you stay with it until the end. A soul to soul to connection if there ever was one. This is by far my favorite story by Ms. Miller. She has truly won me over with her incredible ability to weave tales of such fiery passion, detailed and ravenous sex between her characters and the love in their hearts that connects them completely, forever. Linda makes you long for the past and maybe, if possibly, for the impossible to happen to yourself. I have lent my book to many friends and we all agree that if we were to meet Darby in person that he would be everything Linda has described in such wonderful words (and probably more). This is a book full of twists that makes you wonder what will happen next. It deffinitely is a re-read for me and I plan on getting it in hardcover for my "Love these books" shelf. Thank you once again Linda, for taking me back in time and letting me forget the worries of the day and live in a fantasy for a while. So to all those readers out there--if you need a break--this is the book for you :) Oh--the love-making scenes were breathtaking How I wish!!!!!!1 von 2 Kunden fanden die folgende Rezension hilfreich. Loved this book! Von Kay Lewis Didn't think I would because normally I'm not a fan of time traveler books. But, I threw my spirit through the looking glass with Keighly Darby and didn't come back until the last page was read. Wonderful story, wonderful characters, wonderful read. Pure entertainment from page one through the final paragraph. Now I'm off to find another Linda Lael Miller book to read!

Kurzbeschreibung Seven-year-old Keighly Barrow never forgot the night she spied a boy her own age at her grandmother's Redemption, Nevada, mansion. He was staring at her from an antique mirror in the ballroom, standing among gaudily dressed women in an old-time western saloon. Keighly could only discover that his name was Darby Elder -- and that he lived a century ago. Twenty years later, engaged to be married, Keighly inherited her grandmother's house. Back before the ballroom mirror, she faces a handsome cowboy whose roguish air radiates trouble. Keighly senses the spirit of Darby Elder -- along with an electric charge of passion passing through the glass...and into her heart. But old news clips declare this outlaw son of a local madam would die in a shoot-out. Keighly's magical connection to Darby is too strong not to try and save his life or, if history will not bend, to love him as fiercely as the fleeting moments will allow.
