**Von Jo Goodman : My Reckless Heart (The Thorne Brothers Trilogy, Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Reckless Heart (The Thorne Brothers Trilogy, Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. GREAT! I challenge anyone to read it NOT become a fan!Von Ein KundeJonna Remington is one of the first

historical heroines I've come across who didn't make me want to smack her. She's refreshingly, sometimes embarrassingly direct, as well as smart, independent, strong, capable, stubborn, a modern day woman in many ways. Decker Thorne is irresistible, a reformed rogue and renowned thief, self-assured, and never overtly arrogant (even though he is obviously the Alpha male, he doesn't have those stereotypical Alpha male qualities). Both HH have trouble trusting, both have real issues and insecurities that stand in the way of their happiness. Goodman's descriptions are rich but never comes off as purple prose (trust me on this, purple prose is one of the qualities that always annoyed me about historical romances); I felt the roll and pitch of the deck when Huntress was out to sea. Both characters' internal conflicts emerged as much more compelling than the external conflict (introduced by Goodman in the shady Grant Sheridan, owner of a shipping company and Jonna's long time companion, who doesn't take very kindly to Decker Thorne stealing Jonna right from under his nose). KEEPER sums this novel nicely. It's the 1st historical in my library to earn keeper status. My only question is, WHY ISN'T EVERYONE FAMILIAR WITH JO GOODMAN'S NAME???

Hbsche Geschichte, leichte KostVon PelaEs hat etwas beruhigend vorhersehbares: drei Brder, die als kleine Kinder vom Schicksal getrennt wurden, drei Bcher, drei Werdegge. Man kann sich also entspannt zurcklehnen und Jo Goodmann die Geschichte entfalten lassen in was fr Verhltnissen wachsen die Thorne Brder auf, wie entwickelt sich ihr Leben bis zum jungen Erwachsenen in welchen Abenteuern mssen sie sich bewhren und natrlich, wie und wo kreuzen sich die drei so verschieden verlaufenden Lebenslufe wieder bis zum Happy End im letzten Teil. Jeder Band lt sich fr sich als Einzelschicksal (natrlich mit Happy End) lesen, ganz rund wird die Geschichte dann wenn man sie brav alle drei nacheinander liest.Drei hbsche Geschichten, ungeniert kitschig, denn das darf ruhig auch mal sein. Ein bischen Schicksal, ein bischen Erotik, ein bischen Gefahr, also alles, was was man fr eine kuschlige Leserunde auf dem Sofa braucht.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great adventure with political backgroundVon Ein KundeThis book is the sequel to "My Steadfast Heart" and relates the story of Decker, the missing brother gone thief, and Jonna, a lonely shipping magnate in Boston of the 1850s. Different backgrounds can't keep them apart. Again the plot is multilayered and involves the Underground Railroad with the rescuing of slaves on the run. For the story of the last missing brother who briefly makes an appearance here, read "With all my Heart".

KurzbeschreibungDecker Thorne learned early life lessons on the streets of London, stealing to earn his way. That devil-to-pay existence does not prepare him for someone like Jonna Remington, a fiercely independent woman who is not impressed with his charm or cunning. As owner of Remington Shipping, what Jonna needs is Decker's deft touch at the helm of her finest clipper. With the Remington fortune riding on Decker's success, Jonna is vulnerable and beholding, and when her daring plan gives rise to new dangers, it is Decker who puts his life on the line to save hers. On board Huntress, the clipper she owns but where he is master, Decker can keep her safe from everyone but himself. As they make the Atlantic crossing from Boston to London, Jonna must decide how safe she wants to be, or if Decker has stolen the one thing she did not know she had to give... her own reckless heart.

AWARDS: USA Today bestselling Author  
REVIEWS: "...a fabulous read. Jo Goodman writes with a unique and impressive style" ~Virginia Henley  
"Jo Goodman hooks you and keeps you glued to the pages." ~Kat Martin  
"...a treasure. The characters are guaranteed to steal your heart." ~Lisa Jackson

THE THORNE BROTHERS TRILOGY, in series order: My Steadfast Heart My Reckless Heart With All My Heart
