found for that is Saber, a feline shifter. But she is unaware of that. After transforming herself into an attractive sexy woman, she meets him at a dance. And his council set that up in order to find mates for the younger shifters. The book is a short steamy straight forward read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot Steamy Sex Von Ingrid Stephanie Jordan 5 Stars Should be 25 Title: MY SCARLET WOMAN Middlemarch Shifters, Book 1 Author: Shelley Munro Reviewer: (Ingrid) Stephanie Jordan #Paranormal #Feline #BlackPanther Now this is what I like I am just so into paranormal. There's just something about it that I love, I know it's so exciting, the adventure, the theme behind the story of course sex, really hot sex. And believe me this book has a lot of sex. We start in a little Town, in Middlemarch, New Zealand. That's a secret no one can ever Saber Mitchell, went to the ball the town was having to get all his brothers that are constantly getting into mischief, mated. Everyone was talking about the red dress and how good this person looked and Saber kept looking see all the women thinking that one of them was going to make his brother happy. So he turned around to check out the red dress OMG! orgasm waiting to happen!! Emily Scarlet aka Jo has had a rough six months, her husband died in a car crash which was devastating but that's not why she was devastated, no one knew what he did and said to her before he left the house. How he humiliated Emily letting her know she was ugly and worthless. Yep everyone thought he was such a good man. Tonight all this was going to change, she worked hard to make herself beautiful and succeeded. He little purse had a lot of condoms for her one night stand. Little did she know the man had other idea's. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung The idea is to introduce the single Middlemarch felines to young marriageable women, but when have plans ever gone smoothly... Emily Scarlets husband left her for his secretary and died in a car accident on the same day. Now, six months later, Emily has emerged from her chrysalis of painful memories. And to prove she has what it takes to attract a man, she's determined to experience one perfect night of passion. Feline shapeshifter, Saber Mitchell has a problem with his four boisterous younger brothers. They're out of control, causing trouble and dragging him into the mire. It's too late for him, but he hopes to get his brothers mated and settled, and the inaugural Middlemarch ball is the place to introduce them to marriageable women. Unbridled sex is the last thing on Sabers mind, but one glimpse of the bubbly Emily Scarlet in her slinky red dress changes his mind. Sex with her is a necessity. They dance. They make love passionate, intoxicating and satisfying. One thing is clear a single night isn't enough. Saber must have her for his mate, but Emily isn't so easy to convince or trust. This book was previously published as Scarlet Woman. It has been edited again and contains a bonus chapter.
