Von Crystal G. Smith : My Sister's Bucket List (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Sister's Bucket List (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. So wonderfulVon CustomerWhat a wonderful and also sad story. The story is so bittersweet. The sex is hot like always in

Crystal's books, but the story got me so hooked. Life is too short, we should all make the best of it. Love is stronger than anything and some people will never be forgotten, they always stay in our hearts.

KurzbeschreibungNO EXPLICIT SEX SCENES! This is a story of building a relationship and how trust is not something that is earned so easily for those that have had their trust stomped on in the past. What would you do if you found your sisters bucket list? Probably nothing, right? Its just a list of dreams; tasks or items someone would like to do before they die. Surely, she has all the time in the world to do it all, if she really wants to. Its not like death is knocking at her door any time soon. She is young, vibrant and lives life to the fullest. She is healthier than you and exercises daily. She has regular check-ups and maintains a strict, well balanced diet. No worries of losing her any time soon. Right? Seriously, stop reading and ask yourself, what if? Now, what would do if you knew your sister only had a month to live and you found her bucket list? Thats right, she is dying. She is no longer bouncing around the world, spreading her smile and cheer. She grows weaker by the day. Her color is no longer pink, but beginning to grey each day as the life is sucked from her, and you know that deep down inside her, she can see these changes taking place and knows that her time is quickly coming to an end. What would you do then? Well Selena wasnt given the option of what if. You see, it really happened to her. Her sister was dying and she had in fact, found her bucket list. Or what she thought was her bucket list. She knew what her only option was: Hunter Wilson, her insanely handsome and extremely rich god-like man of an ex. It took everything in her, but she turned to him. KurzbeschreibungNO EXPLICIT SEX SCENES!
