Von Dominick Reyntiens : My Stratford Friend: booke.1. (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Stratford Friend: booke.1. (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An amazing book!!!!Von AmelieXXXMy Stratford Friend is an amazing book from the very beginning to the end. It tells the story of Tom Wickham and his friend and brother-in-milk William Shakespeare, in such a light-hearted and yet gripping way that it is a joy to read.Author Dominick Reyntiens has assiduously researched the breathtaking historical details of this story. His great literary skills allow him to conjure up the whole climate and feel of Elizabethan

England. It all becomes so real that I actually took part in the nurturing and gradual unfolding of Shakespeare's genius. Throughout, the most famous of his stage creations peep through the curtain. Reading this book, I got a lively idea about, how the bard's works might have been inspired by his time and social setting. This novel presents us with a fascinating diversity of humor, tragedy, history, poetry, love, passion, sensitivity and sensuality. It has as many facets as the actual life of William Shakespeare must have had. And this is just the beginning! After reading this book, I am desperately looking forward to the second volume.

Kurzbeschreibung I have hanged more men for what they have written than for what they have done. This quote from Richard Topcliffe, Queen Elizabeth I's most savage enforcer, goes straight to the heart of the world that surrounds Tom Wickham a stable boy who, by the circumstances of his birth, becomes young William Shakespeare's closest friend. Warwickshire was one of the last Catholic outposts of Tudor England. History is written by the victors, but this is a story of a torn and bloody country as seen through the tear-stained eyes of the vanquished. The layers of Tom and Wills' turbulent environment are peeled back, revealing passion, love and desire fighting for oxygen on the face of a spiralling mountain of fear and retribution.
