Von Laura Kinsale : My Sweet Folly (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Sweet Folly (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good book but I wasn't always sure what was going onVon Helen HancoxThis book starts brilliantly the correspondence between Folie in her little village and Robert Cambourne in India. Folie is married to a much older man who appears to evince little interest in her, and Robert becomes, for her, an escape into someone who is interested in her for

herself. And then the shocking end of the letters, when Folie's husband dies and she says she is considering coming to see Robert in India and he says he is married, has been married all along. The story continues four years later when Folie and her stepdaughter Melinda are summoned to see Robert Cambourne, now the head of his family and Melinda's guardian, in England. All communication had been at an end between them but now she is to see him the man with whom she fell in love through letters. Their meeting is unlike anything she imagined it would be as Robert appears to be mad. He doesn't even look as she expected (he only ever described his height to her) although the reader is pleased to discover he's actually dead-dishy. The story becomes strange and confusing after that. Robert is paranoid or is he? He tries to keep Folie and Melinda in his house against their will and they escape to safety with a neighbour but is he safe? Melinda's season in London commences and eventually they run into Robert again. The book then rather wildly shows Folie as kidnapped along with Robert and a whole host of odd things happen. Robert appears to be psychic, their friendly neighbour a baddie it got a little confusing here. I suppose this is partly to reflect the muddle in Robert's brain as he finally is rid of the poison that people really ARE feeding him to make him go mad. There's a murder, other weird stuff, and it all got a bit jumbled. Eventually of course things sort out Folie and Robert marry, although even here it isn't smooth as Robert has huge issues of rejection from his previous wife and messes Folie around rather unpleasantly. In fact, this is only really resolved in the last couple of pages, and I wasn't entirely convinced that they could be happy together. The book is well written but I found some of it a bit too far-fetched and confusing.

Von Detra Fitch I loved this story so much that I bought an extra copy, highlighted several parts that reminded me a lot of my husband and presented it to me in a romantic setting. That was years ago and he still has it in a place of honor! When I saw it released in large print and hard back, I HAD to get it! Readers, this book is FABULOUS! I found it intoxicating!

Kurzbeschreibung An innocent long-distance correspondence leads to complications in this Regency romance by the New York Times bestselling author of *For My Lady's Heart*. Married to an elderly man, Folie Hamilton finds her lonely days brightened by light-hearted letters from her husband's cousin, Lt. Robert Cambourne, stationed in Calcutta for the British East India Company. Robert calls her his princess, and she dubs him her knight errant. Unbidden love blossoms, yet upon the death of her husband, Robert's last letter shatters her heart with three words: I am married. Four years later, Robert summons Folie and her stepdaughter to his estate in England. The girl is his ward, so they must go. The man who greets them, however, is nothing like the charming lieutenant of his letters. This Robert is demented. Screaming at ghosts in demonic rage, he is paranoid and frightening. Yet her body longs to caress his perfect features, to hold his tall, angular body, to find the man who once captured her heart ... Someone is poisoning him, spinning his brain into madness, of that Robert is sure, but who and why? Haunted by his dead wife, the one thing his tortured mind understands is that he must keep Folie safe. Folie, with her beautiful expressive eyes, the only warmth in his nightmare world ... Nominated for a RITA award, *My Sweet Folly* is another unforgettable love story filled with passion and suspense from the author of *Flowers From the Storm*, whose work has been praised by Julia Quinn as unfailingly brilliant and beautiful.
