Von Stylo Fantome : My Time in the Affair (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Time in the Affair (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. it was an ok read...Von Carolin Jachethis is the story of mish, a woman in her mid-twenties, who struggles with life and begins an affair with a stranger. that causes a lot of twists and turns - and that was the point, which made me dislike this story a bit. because i believe, that the book could have been a lot better, if the author would have concentrated on only the main issue of the story: the affair and all the people involved. the additional twist was annoying me so much, i have to

admit. i won't spoiler it here, i'll just stick with the following: my time in the affair was a lot less angsty than i'd anticipated (or maybe i've only not connected with the book enough), the sex-scenes were ok and the story itself too much for my liking. all in all 2,5 stars from me!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Wie immer toll!!Von CustomerIch liebe die Bcker von STylo Fantome und freue mich immer wieder auf neue ! My Time in the Affair hat mir sehr gut gefallen, obwohl ich nicht der Fan von Bchern, die in der dritten Person geschrieben werden, bin. eine tolle Geschichte mit einer interessanten Wendung. Wer lust auf eine gute Geschichte fr zwischendurch hat sollte es probieren und wird, denke ich, nicht enttuscht.

Kurzbeschreibung~Mischa~I made a conscious decision to cheat on my husband.Now, before you judge me, hear my story. Hear how much I'm like you, how similar my thoughts are to your own. Yes, I'm a horrible person. Yes, I've done horrible things. Yes, I don't deserve forgiveness. Yes, bad things happened because of my actions.But I'm willing to bet I've done things that maybe, just maybe, you have thought of doing.Maybe, just maybe, you're not as innocent as you'd like to think.Or maybe I'm not so guilty ...Full Length Standalone Novel, 85,000+ wordsKurzbeschreibung~Mischa~I made a conscious decision to cheat on my husband.Now, before you judge me, hear my story.
