Start einer neuen Serie Von mein Kindle und ich My Tomorrow ist das erste Buch einer Trilogie... Natalie und Ethan sind Highschool Sweethearts aus einer Kleinstadt in Iowa, welche ihren Traum vom Leben in New York City verwirklichen wollen... es kam wie es kommen musste - die beiden haben Geldprobleme, welche sich wiederum in enorme Beziehungsprobleme umschlagen... auf der Suche nach einem passenden Job bewirbt sich Natalie auch im Architekturbro von Drew, welcher - obwohl ihr Boss - von ihr hin und weg ist... Drew versucht gleichzeitig Natalie zu umgarnen, als auch Abstand zu halten, da er ihre Beziehung mit Ethan "respektiert"... das einzig Negative an dem Buch ist die Tatsache, dass Natalie Ethan mit Drew betrgt... davon abgesehen ist es eine wundervolle Geschichte ber den Beginn einer Liebe...

Kurzbeschreibung New York is about as far away from Iowa as you can get and when Natalie Vasser leaves her home for the big city after college graduation, everything seems possible. The past four years have been spent with Ethan, the only man shes ever loved, and she wants to be there for him as he follows his dream. Reality soon sets in though and she realizes life in New York City isnt what she expects. Making the rent and paying the bills becomes priority, not each other. Times are hard and emotions are strained, but Natalies certain her future is with Ethan that is until she meets Drew Saben. The more she gets to know Drew, the more she starts to wonder if maybe the life shes planned for herself isnt the one she wants after all. How far will she have to fall until she discovers what she truly wants?
